UNIVERSITY PROFESSOR
TO APPEAR ON TV PROGRAM

MISSOULA-----

Dr. K. Ross Toole, professor of history at the University of Montana at Missoula, is scheduled to appear on the "Life With Linkletter" TV show sometime in late July.

Dr. Toole, who recently published a book entitled "An Angry Man Talks Up to Youth," said the show would take the form of a debate with a professor of physics from the University of California at Los Angeles, and several "radical, militant students."

Dr. Toole, a well-known critic of student protestors, said he will also answer questions from the "more conservative" members of the audience.

The show will be taped July 2 and scheduled for showing following the taping.
