MILITARY SCIENCE 201

Military Skills

MS 201/AUTUMN 2001

Course Description/Purpose:

MS 201 is designed to familiarize the student with some of the basic individual skills and techniques used by the American armed forces with emphasis on map utilization, communications, small unit formations, first aid, marksmanship and orienteering. Provides hands on experience with some of the equipment and techniques used in the performance of duty, and reinforce the abilities of the student to communicate effectively.

General Information:

MS 201 is a combination of lecture and hands on instruction. Students will also be provided the opportunity to participate in training outside the classroom environment during scheduled course time. Classroom activities will regularly include open discussion, practical exercises, and quizzes.

Instructor:

Master Sergeant Mark A. Caffey

Office Hours: M-F, 0800-1700

Telephone: 243-4549

Office: 101 Schreiber Gym

Grading System:

90 – 100	A		
80 – 89	B	Quizzes (2, 20% each)	40%
70 – 79	C	Final	30%
60 – 69	D	Class Participation	30%

Extra Credit:

Students may earn extra credit through a variety of means during the semester. Extra credit is primarily intended to provide students with the opportunity to improve a borderline course grade.
