**HOMEWORK:**

All but the assignments for the day preceding an exam will be collected. Assignments will be reviewed for format, neatness, completeness and evidence of effort, but not "correctness". **Late homework will not be accepted.** You are encouraged to make corrections on the assignments (using a different color pen or pencil) as it is discussed in class. Assignments may change with advance notice. You are responsible for these changes.

Completion of the assignments prior to each class period is an absolute necessity for the successful completion of this course and the fulfillment of criteria (b) for grading above. Students will be asked to provide answers to the homework problems during the class discussions. The answer key to the homework problems will be posted on the GBB computer system on the day after completion of a chapter. You can access it only in the GBB Labs at Sentinel/Classes/JWeber/ACCT 311. If you lose this syllabus, there is also a copy posted there.
