Expect that slightly more than half of each exam will cover class lecture material. The exams will not be cumulative. DO NOT notify us if you are going to miss an exam. All make-up exams will be given Wednesday of finals week at 7 a.m.

**Exam Schedule:**
- Wednesday, October 10, Exam #1
- Wednesday, November 7, Exam #2
- Friday, December 14, Exam #3  Exam #3 will be handed back at noon on Tuesday.

**Missed Exam Make-ups - Wednesday of finals week at 7 a.m.**

**Final Exam -** There will be no final exam. The only class meeting during finals week will be the handback of exam #3 scheduled for noon, Tuesday of finals week.

**Grades:** Unannounced "attendance" quizzes may be part of the grading process. After each exam or quiz, scores will be posted outside Prof. Morton's office - GBB 324. No letter grades will be assigned for individual exams. At the end of the semester, course grades will be determined by applying the University Catalog Grading Standard Curve (A for excellent performance, B for above-average performance, etc.). For the most part, the course grade will be based by applying this curve to the total number of points from the three exams and any quizzes. If your total points are at or below the middle point for the class, assume that you will likely not receive an A or B. Grades may be adjusted substantially to account for attendance. Our grader will attempt to promptly post exam. Due to the expected number of make-up exams, final semester grades will not be reported to the registrar until the Monday after finals week.
