GRADING:

1. There will be four exams of 70 multiple choice questions.
2. Grades will be determined separately for each of the exams. The last exam will not be comprehensive. The lowest score on exams #1, #2, or #3 will be dropped. All students, however, will take exam #4 and it will be counted. The final grade, therefore, will be determined by adding the cutoff scores of the higher two of the first three exams plus the final.
3. Full credit will not be given for an exam missed by a student (other than one of the first 3 which will be dropped) unless:
 - (a) the instructor is contacted in person (face-to-face or by telephone) but not through messages,
 - (b) prior to the examination, and
 - (c) unless there is a valid reason for missing the exam.
 - (d) A doctor's verification that you were unconscious will also suffice.
4. Attendance: Unless you obtain prior approval from the instructor, and for isolated circumstances only, you must attend and take exams in the section for which you have registered.
5. An incomplete will not be given for not doing well in the class or dropping after the deadline.
6. I DO NOT POST GRADES
