up exams will be allowed, but only with a doctor's note, or for non-medical emergencies, with a typed statement addressed to the professor. Quizzes and homework assignments will not be handed back in class, it takes too much time. However, students are welcome to pick them up from the TAs during their office hours. Students should not make a habit of missing class: your grade will likely suffer.

If you miss a lecture, you are responsible to meet with a TA and find out what you missed. If you miss a film showing, you are responsible for locating a copy of the film and watching it on your own. If you miss a guest speaker, you are responsible for finding out what was discussed. If you are going to miss an exam due to illness or emergency, you must contact the professor **before the exam** date and arrange a makeup. If you do not, you will not be able to make up the exam and will receive an F grade for that exam.

It may become necessary, over the course of the class, to rearrange assignments or alter the schedule. Any changes in scheduling will be announced in class. If you miss class, you are responsible for checking with another student or TA for lecture notes and any announcements that may have been made regarding scheduling or assignments. I do not post nor do I lend out copies of my lecture notes.
