Text: American Government: The Essentials, 9/e, by Wilson and DiIulio

COURSE DESCRIPTION

PSc 100 is intended to introduce students to the fundamentals of American National Government. The course includes an examination of basic American political principles and practices, the Constitution, major institutions, and civil liberties. The objective of this course is to acquaint students with the complexities of the American political system. Specific learning objectives are included on the link at the bottom of the online syllabus.

Grade Weights

Test 1 ..................... 50% October 20 (Thursday) The exam covers Chapters 1 - 10

Test 2 .................... 50% December 6 (Tuesday) The exam covers Chapters 11 - 16

Test 3 (Optional) ..... TBA in LA #11 (Test #3 covers Chapters 1-16) The exact date and time of the OPTIONAL final exam will be added to this syllabus.

The University of Montana now uses a version of the Plus/Minus grading system and a Credit/No Credit system (the CR/NCR replaces the Pass/Fail system used in the past). General education courses must be taken using the traditional letter grade to count toward one's general education requirements.

To accommodate the Plus/Minus system a new grading scale will be used. In PSc 100 grades will be assigned based on the following grading scale. This scale and system is more complex than the system used in the past but rewards As only to those students whose performance in the class is "exceptional."

**EXAMS:** All exams will be objective tests (true/false and multiple choice). Students should bring a standard Scantron form (the exact form is Form F-289, which is available in the UC bookstore). The length of Exam #1 and Exam #2 vary from 50 to 100 questions. Several formats of tests will be used during each exam.

Test 3 is **OPTIONAL**, based on your satisfaction with your grade after Test 2. Test 1 and Test 2 **are not** comprehensive; **Test 3 will be comprehensive (that is, include specific material from the entire semester)**. If you select to take Test 3, each test is weighted as one-third. The final exam typically consists of 250 questions. It should be noted that very few people ever take Exam #3.

**MAKE-UP EXAM POLICY:** All students are expected to take the exams at the times specified above. Make-up exams will be given in the event of extenuating circumstances. Students must make prior arrangements by calling either the Political Science Department office (243-5202) or my office (243-6181) and leaving a message. You can also send a message by e-mail to jeffrey.greene@umontana.edu Make-up exams will not be the same tests given during the scheduled time.

The last day that students can drop a class or change a grading option is in early October. This is the last day to change a section of a class, change from credit/no credit to traditional letter grade or visa-versa. This date will be added to the syllabus prior to the beginning of the fall semester.

**Holidays at UM during the Fall Semester**

November 11 (Veteran's Day)
November 23-25 (Thanksgiving Break)

**TEACHING ASSISTANT:** There is not a teaching assistant for this section of PSc 100.
