FORT COLLINS MAN RECEIVES  
UM GEOGRAPHY FACULTY AWARD

MISSOULA--

Justin R. Ward is the recipient of the Geography Faculty Award, given each year to the outstanding senior in the Department of Geography at the University of Montana.

Ward is the son of Mr. and Mrs. Richard Ward, Fort Collins, Colo. He will graduate from the UM in June with high honors in geography.

"The monetary value of the award is a token sum contributed by members of the geography faculty," Evan Denney, department chairman, said. "The real value of the award is an expression of our high esteem for the excellent work, outstanding performance, and maturity of outlook and comportment of a fine student."
