This course is concerned with the organization, structure and operation of the political system of Japan. Apart from exploring the main features of the system, the course addresses those factors which give Japan its distinctive character.

There will be two one-hour exams. The first will be on March 3 and the second on April 7. These exams will each count for 20% of the final grade. A comprehensive final exam will count for 40% of the final grade. This exam is scheduled for May 10, 3:20-5:20. Exams will consist of combinations of identification, short answer and essay questions.

An additional requirement is a 15 page research paper concerning some aspect of contemporary politics or public policy (contemporary being defined as post-World War II). Deadline for topic selection is February 17. The paper should follow standard manuscript style (Turabian) and is due no later than April 28. It is strongly recommended that these papers be handed in earlier than the due date. LATE PAPERS WILL NOT BE ACCEPTED. The paper counts for 20% of the final grade.
