Requirements: This course is concerned with the organization, structure and operation of the political system of Japan. Apart from exploring the main features of the system, the course addresses those factors which give Japan its distinctive character.

A comprehensive final exam will count for 40% of the final grade. This exam is scheduled for May 17, 10:10-12:10. Exams will consist of combinations of identification, short answer and essay questions. (BLUEBOOKS REQUIRED)
