Required Course Materials:

Textbook: Financial & Managerial Accounting, 14th edition; Warren, Reeve & Duchac; Cengage; with CengageNOW.

Note: The version of this textbook sold in the University of Montana Bookstore is in looseleaf, and offered at a special price. It includes an access code for CengageNOW, which is a web-based homework management system. If you purchase a textbook from a source other than the UM bookstore, or purchase a used textbook, you will also need to purchase a CengageNow Access Code card. If this bought the textbook at UM Bookstore of ACTG 201 last fall, your access code is still valid this spring.

iClicker: You are required to purchase an iClicker remote (if you do not already have one) for in-class participation and attendance in this course.

Calculator: The Department of Accounting and Finance has approved the use of two calculators for exams and quizzes, the **Texas Instruments BAII Plus** or **Texas Instruments BAII Plus Professional** (recommended for students majoring in Finance). These calculators are available at the UM bookstore. No other devices will be allowed during exams and quizzes.

Additional Resources:

At the end of each chapter there are practice multiple choice questions, exercises, and problems with solutions.

Incompletes: An incomplete grade for the semester is not an option to be exercised at the discretion of a student. In all cases it is given at the discretion of the instructor within the following guidelines. A mark of incomplete may be assigned students when (1) they have been in attendance and doing passing work up to three weeks before the end of the semester, and (2) for reasons beyond their control and which are acceptable to the instructor, they have been unable to complete the requirements of the course on time. Negligence and indifference are not acceptable reasons.
