ENGRAVING BY UM ARTISTS TO BE SHOWN IN SPAIN

Work by three University of Montana artists will be included in the International Mini-Engraving Exhibition Cadaques 82. The exhibition will tour Spain throughout 1983 under the auspices of the Department de Cultura of Catalunya, Spain.

The UM artists whose wood engravings were selected for the exhibition are Jim Todd, professor of art and humanities, and two of his students, Dusty Collings and Gary Bieglow, both of Missoula.
