CUTLINE FOR STORY ON SMALL BUSINESS INSTITUTE

#82301-18

STUDENTS SERVE AS CONSULTANTS-- Kyle Rice, left, and Mark Petesch, both of Great Falls, turn in their analysis of Edit-Typit, Missoula, to Dr. Richard Dailey, associate professor of management at the University of Montana.

The UM students worked in teams as consultants to businesses, with support from the Small Business Institute in the federal Small Business Administration. Montana State University, Bozeman, and Eastern Montana College, Billings, also have SBI programs, as does the UM master-of-business-administration curriculum at Malmstrom Air Force Base, Great Falls.
