ANTHROPOLOGY 451

CULTURAL RESOURCE MANAGEMENT

Fall 2018 Class Meeting Location/Time: Liberal Arts 304, Tuesday/Thursday, 11:00 to 12:20

Class Instructor: Doug MacDonald, Professor, Anthropology

Office Hours: MWF 11-11:50 (Corbin Hall 148)

Email: douglas.macdonald@umontana.edu

Course Objectives

ANTY 451 will provide students with a full understanding of the world of cultural resource management (CRM). Students will learn the pertinent laws, agencies, and procedures of CRM. What are cultural resources? What does it mean to manage them? Why do we need to manage them? Students will learn about CRM via lectures, web sites, videos, and readings. By the end of the course, students will have a strong understanding of what it takes to be a cultural resource manager and will have enough information to determine if this is a potential career option.

Course Requirements and Assignments

Students will have assignments almost every week. The week 1 Moodle Tutorial is worth **5 points**. There are 8 online short-answer quizzes, each worth 20 points (**160 points total**). There are two in-class essay exams (midterm and final), each worth 100 points (**200 points total**). Class attendance is taken randomly (**35 points**) and students are expected to be in class when the bell rings. There are 400 total points available, with grading based on a standard percentage of 100 (e.g., 360 points is 90% and is an A-). Graduate students will write a 10-page paper for 100 additional points (due at the time of the final).

We will use **MOODLE** for weekly topics, course announcements, grades, videos, readings, and the posting of lecture and exam/quiz study notes. All quizzes will be taken on Moodle. Papers and presentations will also be submitted/uploaded by students via Moodle. The course gradebook will be kept in Moodle. Forums will be operated through Moodle.

Required Book (for sale at UM Bookstore for ±\$40)

Cultural Resource Laws and Practice, 4th edition (CRLP) by T.F. King

There is also a Kindle version of this book available for purchase through Amazon (±\$30).

There are also occasional online/Moodle readings assigned in addition to CRLP.
