Course Description: The purpose of this course is to begin developing proficiency in Spanish in all four skills (listening, speaking, reading, and writing). While grammatical topics are covered, the importance of using language for communicative purposes is emphasized. Since acquisition cannot take place without input in the target language, instructors use Spanish almost exclusively.

Learning Outcomes: The successful student will be able to:

1. Understand spoken and written Spanish in the context of common situations and in a basic range of grammatical structures and expressions, specifically, those emphasized in the *Puntos de partida* textbook, Chapters 1 - 6.
2. Produce comprehensible spoken and written Spanish, including short paragraphs and brief verbal responses to a range of communication topics, also specified by *Puntos de partida*.
3. Acquire knowledge of the geography, culture and people of regions where Spanish is spoken, as indicated by the cultural units provided in *Puntos de partida*.

REQUIRED Class Materials:

- **Textbook:** Dorwick, Thalia...[et al.] *Puntos de partida: an invitation to Spanish, 10th edition*, Student Edition. You must have access to the text in class. Your textbook is good for SPNS 101 and 102.
- **Workbook:** Arana, Alice A...[et al.] *Workbook/Laboratory Manual to accompany Puntos de partida, Chapters 1-6*, custom bound edition. Available at The Bookstore (\$60.50).
- **Moodle:** Homework is posted on Moodle, as are links to grammar tutorials, workbook audio, and other practice content.
- 3 narrow red scantrons (available at Bookstore, Market, and Corner Store), a #2 pencil
- A three-ring binder with dividers to organize class papers – may be subject to periodic checks
- Standard 10.5" x 8" lined loose-leaf notebook paper without fringe for handing in class work
- A red pen to make corrections

Recommended Materials:

- A Spanish-English Dictionary
- *501 Spanish Verbs*
- Any content in Spanish of interest to you such as music, news, movies, TV, radio, podcasts....

Materials in The Mansfield Library:

- *Puntos de partida* Textbook, Chapters 1-6
- *Puntos de partida* Workbook and Lab Manual Vol. 1, Chapters 1-6
- Emily Spinelli's *English Grammar for Students of Spanish*

Grading:

- Exams: 50% (Exams 1-2 = 15% each, **Final Exam = 20%**)
- Quizzes 15%
- 35% = Compositions, Projects, Homework and Daily Preparation (25%) + *Active Attendance (10%)

* Please be advised that late arrivals and early departures as well as engaging in non-class activities such as cell phone use are grounds for a lowered attendance score. Four absences or fewer will be considered perfect attendance (100%). See chart below for score equivalencies for five absences or more:

ATTENDANCE CALCULATOR

Absences:	Attendance grade %:	Absences:	Attendance grade %:
0-4	100	17-19	50
5-7	90	20-22	40
8-10	80	23-25	30
11-13	70	More than 25	0
14-16	60		

Exam Policy: You will need a narrow red scantron and pencil for each exam. Only one missed exam is allowed if you contact the instructor prior to the exam with an acceptable excuse. The final exam grade will be used to replace the excused exam at the end of the semester. There will be no makeup exams. Please note; the final exam is cumulative, with a focus on the last two chapters. All electronic devices must be packed away for the duration of the exam. Baseball caps or hats with visors cannot be worn for any of the exams. Once graded, exams will be available for viewing and review during office hours. **Students will not keep their exams.**

Quizzes: Your instructor will give quizzes on a regular basis, and will announce them at least a day in advance to allow time for preparation. Only one missed quiz is allowed if you contact the instructor prior to the quiz with an acceptable excuse. If you miss a quiz for an acceptable excuse, the subsequent quiz grade will also be entered in the grade book in place of the missed quiz grade. All electronic devices must be packed away for the duration of the quiz.

Testing Anxiety: There are many strategies for coping with testing anxiety. Some resources on campus include [Curry Health Center's Testing Anxiety workshops and courses in meditation](#), and [Campus Recreation's Yoga classes](#).

Homework: You will have homework to complete every night. Your instructor will post this daily, and will check your completion and comprehension of the material in a number of different ways in class. In addition to spending time on new material, you should incorporate review on a regular basis. Please note that University guidelines state that for every one hour spent in class, you should expect to spend two hours on homework. This course is 4-credits and fast-paced, and your success in it will depend on your consistent dedication to your work, both in and outside of class. It is important that you **plan to spend at least 12 hrs./ wk. on this course.**

- **Turning in homework:** In addition to exercises from the text and workbook, you will be asked to write a few short paragraphs or compositions to turn in. These will be announced in class with the heading **"PARA ENTREGAR"** They should be neatly hand-written, double-spaced with minimal cross-outs, on loose leaf paper (no spiral fringe) and ready to hand in at the start of class on the due date, unless otherwise specified. Please note that you may not submit these via email. You will be expected to use only vocabulary and grammatical structures that you have learned by the time of the assignment to complete these. Take on the challenge and be creative in expressing yourself with the language you know. Ultimately, you will have much more success in a second language if you are able to engage in this process. Please note that the use of online translators is prohibited. You are permitted to use a dictionary or your book's glossary. Wordreference.com is an excellent online dictionary.

Participation and in-class assessments: There will be frequent in-class assessments of your progress over the course of the semester. No makeups will be permitted and each missed assessment is a loss of points, unless you have an excused absence. These may be pop quizzes or other in-class work to ensure that you study at home and prepare for class, and will count toward your class participation. All electronic devices must be packed away for the duration of the assessment.

1. **Attendance:** Arrive for class on time, and plan to take care of bathroom visits before or after class. Attendance will be recorded daily at the beginning of class. More than four absences will result in a lower participation grade, as will unexcused late arrivals or early departures. If you do miss a class, it is your responsibility to find out what written work or other activities you missed to get caught up. Lessons, interactions, conversations and discussions in class are impossible to make up, which is why it is crucial to be in class every day. Find an accountability partner now. Exchange contact information with at least two other classmates for this purpose. _____
2. **Homework:** Have homework already completed before class and be ready to discuss your work with others. Unannounced spot checks of homework may be used in calculating your participation grade.
3. Make a strong effort to speak Spanish exclusively in class, even after finishing assigned activities.

4. Volunteer often to respond to the instructor's questions or to offer ideas and opinions to the entire class.
5. Participate actively in small group and pair discussions by presenting ideas and opinions.
6. Demonstrate an attentive, alert, and engaged attitude during class as well as respect for others by contributing to a classroom atmosphere conducive to learning. Come prepared so that you are able to comfortably participate in partner and class practice in a manner befitting a university-level student.
7. **Electronics: Please mute your cell phone and keep it packed away during class. The use of cell phones or other electronic devices during class without prior arrangement with your instructor is unacceptable,** and will result in a participation grade reduction. If you have only purchased access to your textbook via an online platform, you may have your computer open to access your book. Other use of the computer during class, such as emails, social media, or completing work for other classes is also unacceptable.
