It is my preference we schedule face-to-face appointments or discuss minor course issues via email; this is the easiest way to reach me. It is essential you use your university email for this communication. If necessary, you may leave messages for me at 243-7839.

Office Location: Rm 421, Missoula College building at 1205 E. Broadway
Office Hours: Tuesday 2-3, Wednesday 1-2, or By Appointment

Course Description
This course provides a survey of communication processes in early childhood through adolescence. In particular, the course focuses on how children learn to communicate; the contemporary communication environments of children/adolescence including interactions in family relationships, friendships, as well as media; and challenges concerning childhood communication and its effect on later communication development (e.g. aggression, violence, etc.).

Student Performance Outcomes
1. Trace the development of children’s nonverbal and verbal communication.
2. Identify environmental influences on children and adolescents’ communicative and social development.
3. Observe and analyze patterns of children and adolescents’ communication with one another.
4. Review and interpret current research on child and adolescent communication.

Abstract Papers (2) – 15% of grade
Reading Responses – 10% of grade
Inquiries – 20% of grade
Research Presentation – 20% of grade
**Attendance Policy**

It is my belief that what you gain from a course is dependent on what you put into it. Attendance will determine a student's level of success. If you miss a class, you will miss a learning opportunity. Students with fewer than two absences during the semester will see their final grade increased by 5%. Students with more than three absences may lose their privilege for a makeup should an emergency arise.

*Students who sleep, leave early/come late, or work on other assignments during class will not be counted as present.*

**Test Makeup Policy:** I believe the classroom setting should be treated like any other professional setting. Employers and coworkers tend to be forgiving of a person’s absence for an important meeting or engagement if that person has proven to be dependable in the past. My policy follows this principle.

If the following conditions are met, you may be given an opportunity to make up a test:

1. You must be in good standing in the class. This means no more than three absences, no late assignments and passing grades on all completed assignments.
2. You must notify me prior to missing the test that you will be unable to attend that class period, and provide an explanation for your absence. Personal illness, family emergencies and unexpected events are acceptable reasons for rescheduling a test. You may be asked for documentation of verification of your excuse.
3. Within 24 hours of missing the test, you must schedule an appointment with me to make up your test.

ALL ASSIGNMENTS WILL BE SUBMITTED ELECTRONICALLY IN MOODLE BY MIDNIGHT ON THE DAY THAT THEY ARE DUE. ASSIGNMENTS SUBMITTED A CLASS DAY LATE WILL BE GRADED OUT OF HALF CREDIT. BEYOND THIS DATE, ASSIGNMENTS WILL NOT BE ACCEPTED.

**Student Conduct:**

Please conduct yourself in a way that promotes learning for all students in the classroom (i.e. do not use language that might offend others, use laptops for note taking only, avoid disclosing too much personal information, turn off cell phones, absolutely no text messaging, and avoid monopolizing class discussion).

*COURSE POLICIES ARE APPLIED AT THE DISCRETION OF THE INSTRUCTOR.*

**Academic Misconduct**

All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or a disciplinary sanction by the University.

All students need to be familiar with the Student Conduct Code. The Code is available for review online at [http://www.umt.edu/SAV/VPSA/index.cfm/page/1321](http://www.umt.edu/SAV/VPSA/index.cfm/page/1321).

**Disability Student Services:**

Eligible students with disabilities will receive appropriate accommodations in this course when requested in a timely way. Please speak with me after class or in my office. Please be prepared to provide a letter from your DSS Coordinator. Our DSS Students Director, Amy Capolupo, will be on the Missoula College Campus, from 9:00-4:00 on Tuesdays and Fridays. Her office is on the River Level (room MC 032). Appointments can be made with her by calling 406-243-2243.
For students planning to request testing accommodations, be sure to bring the DSS testing form to me in advance of the two-day deadline for scheduling in our Learning Center.

**Drop Policy**
Beginning the 46th day of the semester through the last regular class day (i.e. Friday) before Finals Week students may drop courses only by petition. Note that not all petitions are approved and documentation is required. Some examples of documented circumstances that may merit approval are accident or illness, family emergency, or other circumstances beyond the student’s control. Instructors and advisors have the right to indicate that they do not recommend the drop – the UM’s Academic Policies and Procedures (see [http://www.umt.edu/catalog/acad/acadpolicy/default-print.html](http://www.umt.edu/catalog/acad/acadpolicy/default-print.html)).

**Course Calendar**
*Readings and assignments are due on the day they are listed. In addition, for every reading, students are required to submit a one paragraph response to a prompt on that reading. These responses are worth 10% of the total grade in the class. They need to be uploaded in Moodle before the start of class on the day for which the reading is assigned.*
