Course Description & Requirements:

Applied percussion lessons for students majoring in music (Music Education, Performance, Composition or Bachelor of Arts). Number of credits vary depending upon major requirements. Students must take a minimum of 2 credits for an hour lesson. Performance majors receive 4 credits for an hour lesson. Lessons will focus on the study of music and technique on a variety of percussion instruments focusing on at least two areas each semester. Pedagogical approaches to teaching percussion will be taught for BME and BM majors.

Technical skills for artistic self-expression:

Students will cover the following materials:

- Senior Recital literature (if required for degree) – on marimba, vibraphone, multiple percussion, timpani and optional literature in other areas including drumset, steel drums and other world percussion instruments.
- Orchestral excerpts
- Drumset (additional material as needed)
- Additional work in area of specialty

*Solo Literature on any of the following: 4 mallet vibraphone, 4 mallet marimba, timpani, multiple percussion, snare drum and drumset. Choice of instrument and literature will be chosen depending upon a variety of factors including a shared Junior Recital as well as a particular area of focus or interest for the individual student.

Performance skills:

Performance majors are required to perform in at least one departmental recital each semester. All other majors are required to perform in at least one departmental recital per year.

All Percussion Majors are also required to be in Percussion Ensemble and/or World Percussion Ensemble and one major ensemble (Symphonic Wind Ensemble, etc.). Percussion Ensemble meets the requirement for Chamber Ensemble for the BM and serves as a “lab” for teaching skills developed in the applied studio. Within the various ensembles, students will have leadership opportunities through running sectionals, serving as section leaders and through the Percussion Club (part of Associated Students of UM).

Attendance: Mandatory. More than 2 unexcused absences will result in the lowering of grade by one letter grade. Students must give notice if they cannot attend a lesson. Lessons missed by the student will not be made up unless excused by the instructor. Lessons missed by the instructor will be made up at a time convenient for both parties.

All Percussion Majors are required to attend all percussion-related performances during the school year, i.e. faculty and student recitals, concerts and special guest performances or clinics/masterclasses.

Jury: Every student enrolled in private lessons must perform a jury at the end of the semester. Juries are usually held the first day of Exam Week and sign up sheets are posted on the Brass/Percussion bulletin board one week prior.

MUSI 495 Jury requirements:

Solo literature on at least two of the following - marimba, vibraphone, timpani, snare drum, drumset
Sightreading on snare drum or mallets

*Senior recital is required for BM majors in Performance (typically in the Fall)
