VOICE AREA MASTER CLASSES

Weekly voice master classes are an important and required supplement to lessons. Regardless of your degree, the end result of voice lessons is to share your vocal talents and hard work in live performance. Thus, we hold these weekly classes as an informal performance outlet for students to sing for each other and for the teachers in a supportive and constructive environment. Our goal is to help students to strengthen their performance skills, develop confidence and learn from each other. The Voice Area at The University of Montana fosters a collaborative spirit and the belief that there may be many different ways to address the same issue with singing, whether it concerns vocal technique or musical interpretation.

SCHEDULE - Description

1. 4-week Rotating Schedule
 - a. Week 1: All Voice Students
 - i. Traditional master class as we have done in the past – work with two voice teachers, exclusive of your regular voice teacher. Students must sign up to sing.
 - b. Week 2: All Voice Students

SCHEDULE – ACTUAL (Please check the Voice Bulletin Board for any changes)

EXEMPTIONS

Although we consider Master Class to be of equal value to all students studying voice, we realize that the requirement may run into course conflicts dependent upon a specific degree and year of study that may necessitate the following exemptions. In each case, (including the “note” below) the student must consult with his/her teacher to be exempt from Master Class.

Students in the BM degree will be allowed 1 semester of exemption from Master Class.

Students in the BA and BME degrees will be allowed 2 semesters of exemption from Master Class.

Music Minors should have at least 2 semesters (2 credits) of Voice Master Class. These will count as electives towards your minor.

Note: If you have a course which conflicts with a portion of the Master Class meeting time, you may still be able to participate, arriving late or leaving early. Please consult with your voice instructor.

EXPECTATIONS FOR PARTICIPATION

In an effort to encourage students to sing in Master Class, we have instituted the following requirements:

All BA and BME students

- in their 1st year must sing at least 2 times per semester in Master Class.
- in their 2nd year must sing at least 3 times per semester in Master Class.
- in their 3rd and 4th years must sing at least 4 times per semester in Master Class.

All BM students

- in their 1st year must sing at least 3 times per semester in Master Class.
- in their 2nd year must sing at least 4 times per semester in Master Class.
- in their 3rd and 4th years must sing at least 5 times per semester in Master Class.

All MM students

-must sing at least 4 times per semester in Master Class.

The voice faculty takes these Master Classes very seriously and expects the same from students. Whether they sing or observe, all students must attend classes, be punctual, prepared, attentive, and supportive. Doing homework for other classes, text messaging, and any behavior that is distracting or disrespectful to performers and teachers will not be tolerated. Unless you have made prior arrangements with your voice instructor, we expect you to stay through the duration of each class. Please remember, that you are here to learn. We encourage a serious, but also a healthy, lively and supportive environment in these classes.

ASSIGNMENTS

Assignments such as research, journals, and other activities may be given at the discretion of your voice instructor.

GRADING

Final grades will be submitted by your studio voice instructor. Undergraduates should register for MUSI 162 and the section number which corresponds with their voice instructor (juniors and seniors should register for MUSI 362). Graduate students register for MUSI 596 Section 08. Dr. Cody is the listed instructor. Grades for graduate students will be assigned by the studio voice instructor and submitted by Dr. Cody.

The University of Montana requires the following statement on all syllabi.
