UM ALUMNI ASSOCIATION SEEKS INFORMATION  
ABOUT ITS MEMBERS

MISSOULA--

The University of Montana Alumni Association will mail forms in mid-May to alumni in a major effort to collect information to make its records more complete and more accurate.

The survey, the first ever attempted on such a large scale, will yield information that will enable the association to overcome deficiencies in its records. Updated records, along with computerization, will result in more accurate mailings. Money saved on mailings will be used for alumni gatherings and other projects.
