- Learn about VSA – International Organization on Arts and Disability
- Do general research in the field of dance and disabilities (resources, disabilities and the arts, classes, organizations, etc).
- Research and review at least three integrated dance companies (or relevant organizations you discovered through your research). Link/Upload your favorites to Moodle and be prepared to share and discuss in class and online. * **See Class Calendar**

3. **Keep a Journal**

Throughout the semester keep a journal of your experiences relating to this course [* See Class Calendar](#). This may involve notes from observation, participation and your general impressions from New Visions or additional research. Be specific, personal and in-depth. Consider these questions:

What is being learned?

What are your impressions of "what works" and what doesn't work? Why?

Where are the participants physically? Emotionally? Intellectually?

What are the interpersonal dynamics of the class?

What do you think the participants need more/less of?

How would you describe your rapport with participants?

What changes do you notice from week to week?

What area(s) do you want to know more about?

4. **Plan, Teach, Evaluate Two Mini-Lessons** [* See Class Calendar](#)

Once you become familiar with the class you will be asked to plan, teach and evaluate 2 mini-lessons for our group. Your movement material *may* be designed around the following aspects of the class, but are not limited to:

- 1) warm-up
 - 2) creative movement exploration
 - 3) cardiovascular movement, across the floor.
 - 4) choreography
- Draw from your own experiences and consult any and all resources you wish. Either develop your own movement ideas or adapt ideas found in suggested readings.
 - Step 1. Submit your first draft of your **lesson plans** to the instructor and receive written or verbal feedback. Develop the lesson further, as needed.
 - Step 2. **Teach** the lesson. Participate in discussion after you teach. Listen to feedback from peers and share your immediate impressions of how the lesson went.
 - Step 3. Write a **self-evaluation** of how it worked. Be honest. How would you improve next time? Turn in: Your 2 lesson plans and 2 self-evaluations.

4.b **Group Lesson – collaboratively Plan and Teach a more extensive lesson, plus individual Evaluation**

5. **Outside of class, plus Performances**

Learn more about **VSA Montana** by participating in ONE of the following events:

- Perform in Dance Studio Works **Friday, April 14** at 6:30pm - UM, Open Space
- Perform in VSA Cabaret **Sunday, April 2** at MCT, plus dress rehearsal Thursday, March 30
 - Observing/participating in **VSA Choir Practice** at Big Sky High School, Thursdays 6:30-7:45 suggested dates *may* follow
- OR ~ watch *Invitation to Dance* available in our library DVD 362.43092

6. **Research Project** [* See Class Calendar](#)

Mull over the experiences you have had this semester. What questions, curiosities, interests have been sparked? What would you like to learn more about? Choose a topic that interests you and research the subject. Present this information (~10 minutes, with visual aids/group participation) to our class. Turn in a short summation (typed) of your research paper describing your topic, your research methodologies, sources and your results.

This might be:

- **a conventional research study** (i.e. What is mental retardation? What is the life span & orthopedic progression of a person with cerebral palsy? What laws exist to protect people with disabilities? What ADA regulations exist for accessibility in public places?)
- **a social question** (i.e. What kinds of issues do married couples face if they both have a disability? What kinds of prejudices does a person with a disability face?)
- **an artistic question** (how can I express my own perceptions about one of the clients through a poem, a painting, a dance, a story? In what ways am I disabled in my own life?)

Studio Etiquette

NO street shoes are allowed in the dance studio at any time, even carried in-hand. Anyone entering the studio must remove their street shoes **BEFORE** entering and leave them outside the studio. The only shoes permitted in studios are those that have been purchased for the exclusive use of dance in dance studios (with the exclusion of tap shoes, hard-shoe clogs, and flamenco shoes. These should never be worn on Marley floors). Individuals concerned about theft should rent a locker for their shoes and other belongings.

NO food or drinks (except water in closed bottles) are permitted in the dance studios or theatres.

NOTE: **Locker rentals** are available for any student. The School of Theatre & Dance recommends that students do not leave personal belongings unattended in the dressing rooms, hallways, dance studios, or theatres as **thefts frequently occur**. Lockers may be rented for \$7/one semester or \$13/two semesters through Dance Program Administrative Associate Teresa Clark (teresa.clark@umontana.edu; office in UMArts Box Office in PARTV Lobby).

Academic Misconduct and the Student Conduct Code

All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or disciplinary sanction by the University. All students need to be familiar with the Student Conduct Code. The Code is available for review online at http://www.umt.edu/vpsa/policies/student_conduct.php.

All Theatre & Dance students must have an in-depth knowledge of the practices and procedures outlined in the School of Theatre & Dance *Student Handbook*. The *Handbook* is available online at <http://www.umt.edu/umarts/theatredance/About/handbook.php>.

There is inherent risk involved in many Theatre & Dance classes as they are very physical in nature. Please proceed through class, shop time, or rehearsal with caution. Always be mindful of your personal safety and the safety of others. Students participating in class/shop/rehearsal/performance do so at their own risk.

Due to safety considerations, at **no** point during a student's time spent in class or serving on a production (in any capacity) should non-enrolled persons be guests of that student **without my consent**. Presence of such unauthorized persons in a class, shop, or any backstage/off-stage area will negatively affect a student's grade.

The University of Montana assures equal access to instruction through collaboration between students with disabilities, instructors, and Disability Services for Students (DSS). If you think you may have a disability adversely affecting your academic performance, and you have not already registered with DSS, please contact DSS in Lommasson 154. I will work with you and DSS to provide an appropriate accommodation. For more information, please consult <http://life.umt.edu/dss/>.
