Course Description
Students are to develop an increasing understanding and appreciation of ballet

III. Structure of Course

Class begins promptly at **11:00 AM**. Students arriving late will not be permitted to take class (for safety purposes), and will instead observe and take notes. Three observations equal one absence. Class will end at **12:20 PM**. Students are required to remain in class until it finishes. Consistent tardiness and/or departure from class before its end will result in lowering of one’s grade, if a student arrives late three times or leave early three times it will equal one absence. The final day of classes will be **Wednesday, Dec. 5, 2018**. The scheduled final exam time is Thursday, **Dec. 14th from 8:00-10:00**.

**Injury**

To avoid injury, it is recommended that you arrive early to class to begin warming yourself up, bring water to class and be sure that you have eaten before class. Please notify the instructor of any injury (current or past) that may affect your full performance in class. Should an injury require that a student observe class, it is expected that the student dutifully watch the class and apply what is being taught and discussed to her/his own improvement in class. Notes should be taken for each part of class. This observation should result in a substantial set of notes that should be submitted to the instructor following the class observed. While observing class, students are required to be mindful and quiet as to not detract from the teaching and performance efficacy of the teacher, classmates and accompanist.
Attire
Street shoes are not permitted in the dance studios. Movement will be experienced with ballet technique shoes or socks. Long hair must be pulled back. Students should plan to wear clothing suitable for movement and should take into account keeping the body warm for the beginning and end of class, bring extra clothing.

NO street shoes are allowed in the dance studio at any time, even carried in-hand. Anyone entering the studio must remove their street shoes BEFORE entering and leave them outside the studio. The only shoes permitted in studios are those that have been purchased for the exclusive use of dance in dance studios (with the exclusion of tap shoes, hard-shoe clogs, and flamenco shoes. These should never be worn on Marley floors.)

NOTE: LOCKER RENTALS ARE AVAILABLE FOR ALL STUDENTS IN THE DANCE CLASSES. WE RECOMMEND THAT YOU DO NOT LEAVE PERSONAL BELONGINGS UNATTENDED IN THE DRESSING ROOMS, HALLWAYS, OR DANCE STUDIOS, AS THEFTS FREQUENTLY OCCUR. LOCKERS MAY BE RENTED FOR $10.00/SEMESTER, OR $15/TWO

IV. Expectations: Attendance and Grading Policy

Attendance is important in any field, but vital in the field of dance. Learning to dance requires that your body do it. You won’t gain in flexibility, and strength, or in your ability to pick up movement or generate your own movement by hearing about what happened from a classmate, watching a film of the dance or reading about it in a book. In other words, there is no way to make up the material you miss.

So, the Dance Faculty EXPECTS STUDENTS TO BE IN EVERY CLASS. However, knowing that unpredictable circumstances can arise, students are permitted absences determined by each instructor. Students may also make up classes, according to each instructor. Make-ups are determined by the instructor and may include: watching and writing a one-page observation of another dance class that is either a more advanced level of the style the student is studying (or a different style), or by participating in another section of the same level and style of the class.

AFTER YOU HAVE USED YOUR ABSENCES AND MAKEUPS, YOU WILL BE DOCKED ONE-THIRD OF A GRADE FOR EVERY ADDITIONAL ABSENCE.

GRADING: Dance is different from many other fields in that a student’s work is not as quantifiable as it is in some other subjects, such as history or math. For this reason we do not have a point breakdown, but rather general guidelines.

To receive an “A” you must:
- show signs of aptitude for dance technique
- have an energetic, attentive attitude
- progress over the semester
-be at the top level of the class
-and, of course, fulfill the attendance, critique, and exam requirements

You will receive an “F” if your absences and lack of critiques add up (or subtract) to an “F.”

Your grade will be lowered by one-third of a point for each critique you do not hand in (e.g., if you start with a B, your grade will drop to a B-, then C+ and you will receive a “C+”).

Students may receive an “incomplete” (I) only if there are exceptional circumstances that have been discussed with the instructor.

V. Methodologies

Classes typically begin at the “barre” where students warm up and learn correct body alignment. Strengthening and stretching exercises precede “center floor” work. “Combinations” of steps throughout the class are demonstrated and explained by the instructor before being executed by the students.

PLEASE NOTE: At any point you feel further discussion would aid your development, please schedule a meeting with the instructor. Further assignments may be scheduled throughout the semester at the discretion of the instructor.

Students with disabilities may request reasonable modifications by contacting me. The University of Montana assures equal access to instruction through collaboration between students with disabilities, instructors, and Disability Services for Students (DSS). “Reasonable” means the University permits no fundamental alterations of academic standards or retroactive modifications. Academic Misconduct and the Student Conduct Code

All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or disciplinary sanction by the University. All students need to be familiar with the Student Conduct Code. The Code is available for review online at http://www.umt.edu/vpsa/policies/student_conduct.php.

All Theatre & Dance students must have an in-depth knowledge of the practices and procedures outlined in the School of Theatre & Dance Student Handbook. The Handbook is available online at http://www.umt.edu/umarts/theatredance/About/handbook.php.

There is inherent risk involved in many Theatre & Dance classes as they are very physical in nature. Please proceed through class, shop time, or rehearsal with caution. Always be mindful of your personal safety and the safety of others. Students participating in class/shop/rehearsal/performance do so at their own risk.

Due to safety considerations, at no point during a student’s time spent in class or serving on a production (in any capacity) should non-enrolled persons be guests of that student.
without my consent. Presence of such unauthorized persons in a class, shop, or any backstage/off-stage area will negatively affect a student’s grade.
