DEE DENNISON NAMED MANAGER OF UNIVERSITY
CENTER SCHEDULING AND SALES AT UM

MISSOULA--

Ray F. Chapman, director of the University Center at the University of Montana, has announced the appointment of Darlene "Dee" Dennison as manager of UC scheduling and sales. For the past two years, she was an assistant to UC scheduling manager Paula McNeill, who resigned in June to become sales manager for the Sheraton Hotel in Missoula.

In her new position Dennison handles catering and other sales activity of the UC scheduling office, whose clients include university departments and organizations, business and professional groups, government agencies and schools.

She schedules and makes arrangements for workshops, conferences and other special events in the UC or other campus facilities and works closely with the Missoula Chamber of Commerce in providing services for community functions when requested.

From 1971 to 1979, she lived in Helena, where she was a bank teller for two years, a scheduling and attendance officer at Helena Junior High School for one year and the owner of an interior decorating business for five years.

Dennison, the daughter of Hubert and Fern Wirtz of Kalispell, is a 1965 graduate of Flathead High School in Kalispell. She studied business management at Kinman University in Spokane and home economics at Montana State University in Bozeman.
