Course Description
Beginning study of the duties of the stage manager, concentrating on the production process in a non-professional theatre situation.

Prerequisites
THTR 102A, 202, 203

Course Objectives
- To introduce the student to the fundamental skills required of a theatre stage manager from pre-planning through the end of the final performance, with an emphasis on current standards, practices, and technologies.
- How to (including but not limited to): analyze scripts, create paperwork, make decisions, run meetings and rehearsals, and successfully communicate with people.
- At the end of this course, students should feel confident in their skills of disseminating information, time management, communication, supervising, and using critical thinking to adapt to various production scenarios.

Attendance and Promptness
Class meets twice a week for 50 minutes, so your active attendance is required for the duration of every class. Active attendance is defined by being present and engaged, participating in discussions, and asking questions. One private warning will be given regarding a lack of active attendance. Discussion & Participation is directly linked to Attendance, be aware that missing or being late will impact your grade. If you foresee yourself having difficulty with this policy, see me now, not later—before, not after. Please, just be here.

Class Format
This class will be a combination of lectures, discussions, interaction with guest practitioners, hands-on exercises, quizzes, projects, and a final. Every class session will require outside prep work.

Required Text & Materials
- The Stage Manager’s Tool Kit 2nd edition: by Laurie Kineman, 2013/2017. (IBSN 978-0415663199)
- Oslo, script by J.T. Rogers A copy is available at umtheatredance.vcallboard.com and on Moodle.
- Laptop with a Microsoft Excel.

Suggested Reading
- The Back Stage Guide to Stage Management by Thomas A. Kelly
- Stage Management by Lawrence Stern
- The Art and Craft of Stage Management by Doris Schneider

Grading Policy
Discussions & Participation – 50%
Quizzes & Homework – 20%
Outside-Class Activities – 10%
Final Project – 20%
Special Notes
The homework and projects will require you to complete some assignments in Excel, Microsoft’s spreadsheet software. If you are not yet comfortable with Excel, don’t worry! We will be covering the basics, including page setup and formatting, during a class meeting.

Homework that needs to be uploaded, must be submitted by 8am of the next scheduled class day. Grades for late assignments will automatically be reduced by 50%.

Show Attendance
You are required to see all of the School of Theatre & Dance’s mainstage productions this semester: Summer and Smoke, Dance Up Close, and White Christmas. Please attend these productions during their first weeks of performance. Not being able to take part in the discussion will have a significant impact on your grade. Other productions you might want to see are Theatre & Dance non-mainstage, Montana Rep, other entities in the community, as well as the National Theatre Live broadcasts at the Roxy Theatre.

Practical Assignment—Meeting & Rehearsal Attendance (Outside Activity)
You are required to attend the following:
- One Production Meeting (Fridays 9-10am or 10-11am)
- One 1H segment of a theatre rehearsal in the rehearsal hall
- One 1H segment of a technical rehearsal in the theatre
- One D&T Talkback
- One P&P Response

There will be a practical exercise to correspond with each of the events. The sign-up schedules and guidelines for these will be issued Sep 26th.

D&T Talkbacks and P&P Responses (Reminder)
As per School of Theatre & Dance policy, BFA/MFA theatre majors are required to attend the sessions in their area of emphasis following each of the mainstage shows. The D&T-T is the Monday of the second week of performances. The P&P-R is the Monday after the show’s closing. Attendance will be taken. (Both of these feedback sessions are open to all T&D students; your attendance is always encouraged.)

Final Project
Compile a Stage Manager’s Prompt Book for the play Oslo, utilizing the skills and document templates from this class. A full set of guidelines will be issued Sep 19th. The project will be at the final. (There will be group and individual reviews of each of these elements throughout the semester; it is expected that you will revise your documents along the way.)

Final
The final will be an evaluation and discussion of the student’s new skills. There is not a Final Exam, Attendance. Participation in this is required.

Stage Management Assignments
- BFA Design & Technology and BA Education Endorsement Preparation Majors (others as determined) are required to serve as SM or ASM for a production/practicum to be assigned by the Design & Technology Program. With this assignment, the student should sign up for THTR 371: Stage Management Practicum I. The credit hours are as follows: SM theatre season production (3 cr.); ASM theatre season production or SM Montana Rep or theatre studio production (2 cr.); SM dance production (1 cr.). The course syllabus for THTR 371 will outline the responsibilities and expectations of such a Practicum.
- Any other students interested in gaining more practical experience should contact the instructor to request an assignment; production assignments are based on available slots and a student’s aptitude.
Class/School Policies

Academic Misconduct and the Student Conduct Code
All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or disciplinary sanction by the University. All students need to be familiar with the Student Conduct Code. The Code is available for review online at http://www.umt.edu/vpesa/Dean%20of%20Students/default.php

All Theatre & Dance students must have an in-depth knowledge of the practices and procedures outlined in the School of Theatre & Dance Student Handbook. The Handbook is available online at http://www.umt.edu/umarts/theatredance/About/handbook.php.

There is inherent risk involved in many Theatre & Dance classes as they are very physical in nature. Please proceed through class, shop time, or rehearsal with caution. Always be mindful of your personal safety and the safety of others. Students participating in class/shop/rehearsal/performance do so at their own risk.

Due to safety considerations, at no point during a student’s time spent in class or serving on a production (in any capacity) should non-enrolled persons be guests of that student without my consent. Presence of such unauthorized persons in a class, shop, or any backstage/off-stage area will negatively affect a student’s grade.

Students with disabilities may request reasonable modifications by contacting me. The University of Montana assures equal access to instruction through collaboration between students with disabilities, instructors, and Disability Services for Students (DSS). “Reasonable” means the University permits no fundamental alterations of academic standards or retroactive modifications.
