#### Purpose/Intent/Criteria

This experience is a workshop in creative writing—specifically dramatic writing. The criteria is based on dramatic structure--conflict, tension, and character complexities/psychology. These are the essentials of story. What are the characters after? What do they have to get for their life? What is most critical to them? What are they willing to do to get what they must have? How badly do we want to know what happens next?

#### Texts:

*Story*. Robert McKee. Reagan Books, Harper Collins.  
*Triggering Town*. Richard Hugo  
*Elements of Style*. Strunk & White  
The New Yorker magazine
