

Wipe-out! Google Wave Crashes

Why did Google pull the plug?

Why didn't Wave work?

Or did it work?

Was it ahead of it's time?

Or was it just another way to waste time on the Internet?

Are there better alternatives already in place?

Add your ideas, thoughts, comments etc. to the page below, comment on my blog, or twitter (use #GoogleWave and/or #litaforum hashtags)
