montana . . . and how alone

we were...

fences and their masters
soon marred the
quiet hills...

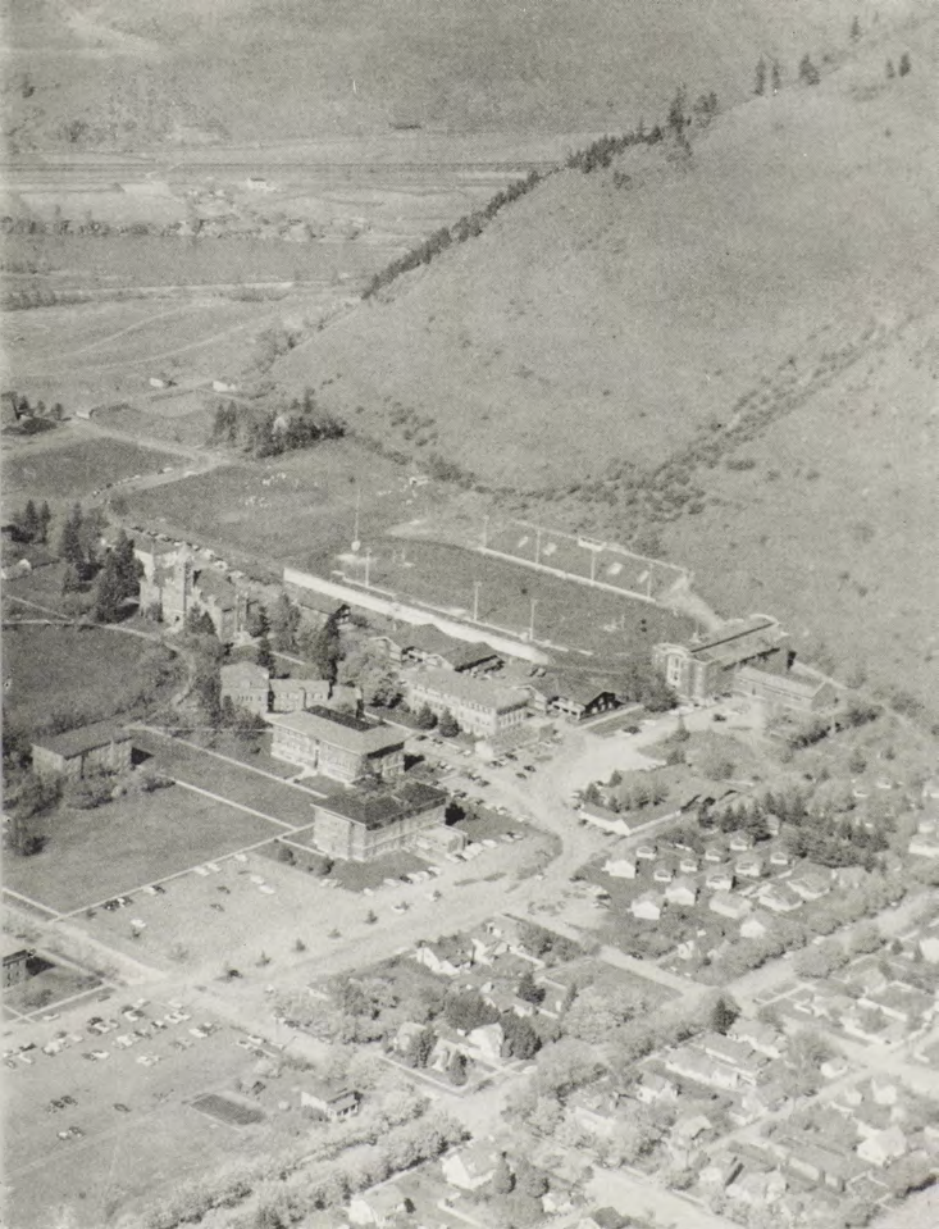

earth's deep treasures severed,

stripped, never to return...

yet the eternal great white mountains in lush abundance lie . . .

and in the lap of those mountains, we were safe and far away . . .

while nations fought their problems, we created a world of our own . . .

and became involved

everyday

the first week	16
discovering the campus	18
classes and between	21
always, the lodge	24

and special days

the year	28
fall	30
winter	48
spring	62

in groups we chose to live, plan, produce, play, serve, worship and be honored

greek and dorms	78
scholarship winners	122
asmsu	124
aws	130
foreign students	131
honorarys	132
publications	135
varsity athletics and boosters	140
sports for the rest of us	162
music for all	168
theater, debate, psychology, politics and religion	172
the military	179
woodmen	180
pharmacists, musicians and homemakers	182
historians, geologists and journalists	184
and business	185

but individuals we remain a product of ourselves

freshmen	190
sophomores	201
juniors	211
seniors	219
graduates	235

lost between the long long lines . . .

the first week . . .

Dick Barney, traditions board chairman, pushes freshman beanies
 . . . customers are Mary Ritschel and Carol Maxwell . . .

traditional chore of the neophytes . . . scrubbing
 the "M" and each other other with whitewash . . .

discovering the

campus...

the campus

of trees . . .

... classes

and between . . .

coffee line

always . . .

the grill coffee chess classes study grading

the lodge

blue books . . . and always . . . discussion.

lodge lounge . . . mostly masculine population . . . especially at Disney TV time.

all moods . . . pensive . . . gay

"The Room" . . . mood environment for coffee and cokes.

weekend dances . . . June Patton whirls with beau.

Greta Peterson pensively profiles before Lanny Kenny's sax.
