13. Motor Pool - If you are traveling in one of UM cars available to student groups, you are allowed to ask for \$0.38-\$0.62 per mile per car, or \$8.25-\$15 per day as quoted.

Text Response

We will be gone for 3 days and will be travelling 173.4 miles. Using a mini-van through motor pool for 3 days comes to a total of \$38.25. In addition to this, the 173.4 miles at \$0.56 per mile comes to \$97.10. Combined this will equal \$135.35.

14. Lodging - Cost for a hotel/motel, AirBnB, camping fees, or other lodging. You are allowed to ask for \$50 per person, per night.

Text Response

The campsite, with fees, comes to a total of \$12 per night. We will be staying for two nights, therefore, we are asking for \$24.

20. Please consider and detail all safety precautions that you will be enforcing throughout your trip. Attach additional supporting documentation as needed. Example: Students (5) traveling to Dillion, MT for an overnight geology expedition. One vehicle with face masks required in the car as social distancing is not available in the single vehicle. Fill gas tank in Missoula (again in Dillion) to make sure we don't have to stop en route. Additionally, will bring snacks and water so we don't have to stop on the road. One person will be the hotel point of contact - Requesting three rooms (2 persons per room + 1) to make sure we are able to stay distant in our hotel rooms. Insurance (for vehicle and all individuals) is up to date with emergency contacts and banks notified of our travel plans.

Text Response

Due to the nature of this student organization, and all of us already living together, we will not be practicing social distancing or wearing masks when around only each other. Each member will have been quarantined for 2 weeks prior to this retreat, with the exception of attending classes the 19-21st of August. When around other people, we will be strictly practicing social distancing by maintaining at least a 6 ft. distance between us and other groups of people. We will also be wearing masks anytime we are around people outside of our bubble. We will get gas in Missoula before we leave and in Darby, MT before we drive back. We will be bringing hand sanitizer and disinfecting wipes with us to be used anytime we make contact with things used or touched by other people.

24. ASUM and UM Require that all Prime Travlrs act as the Campus Security Authority (CSA) for the trip. CSA's are defined by the Jeanne Clery Disclosure of Campus Security Police and Campus Crime Statistics Act (usually referred to as the Clery Act). In short, taking CSA training helps us make sure you know how to report a crime if it is committed or the student code of conduct broken. Training may be found at <https://www.umt.edu/clery/csa/training/default.php>. Participating in Travel without a CSA on the trip will result in funding being revoked.
