BARGAINS

This year we have some exceptional bargains for the outdoors man. Having purchased many items of this nature at closeout prices, from firms quitting business, we can offer you real standard lines at less than our competitors buy them for from the factory. We guarantee every item, just the same as though we had purchased it from the factory, as we have the factory guarantee behind us also. Following are a few items we have to offer at bargain prices as long as the stock lasts — and we have your size:
