STANDING: Henry V. Larom, Claire Larson, Larry Phillips, Arley Levno.

Editor  
Larry Phillips  
Business Manager  
Arley Levno  
Art Editor  
Claire Larson

Editor JOHN BANSCH . . . caught thinking at his typewriter in his office . . . perhaps contemplating the Kaimin axiom, "There ain't no damn reason for it, it's just our policy," which hung predominantly in his office.

LEE DE VORE, business manager, relaxes in the Lodge over a cup of coffee and reads the morning's issue . . . despite cries from Bansch's troops of too many or too few ads, relations between the newsroom and admen were smooth.

## bansch steers kaimin

Bansch and GENELL JACKSON check copy as it comes in over the United Press teletype . . . Genell as news editor made all campus news assignments . . . contributed her share of editorials.

Bansch confers with Feature Editor GARY SORENSEN seen here doing his weekly stint in the copy desk "slot" . . . Kaimin associate editors take turns once a week as copy chiefs.

From the sports office, **JIM BERRY** handed out assignments, read copy and wrote headlines and columns covering the Skyline, intramural and national sports.

Adviser **ED DUGAN**, shown with one of his last cigarettes before his doctor's ultimatum, shared Lee's concern with advertising . . . also served on publications board and taught Kaimin admen . . . Dean Blumberg handled copyreaders along with Dr. Yu . . . Prof. Bue was in charge of reporters.

## through campus controversies

"Sor" again caught looking in the copy desk slot.

Wire Editor **FARRELL COFFMAN** smiles from the "rim" of the copy desk as she edits UP news . . . kept up the staff esprit de corps.

"Rings and Pins" originated with Society Editor **JAYNE WALSH** . . . "Sor" editor was charged with weekly duty of roundup of all previous week's social news plus blurbs on coming functions.

Editor **NATALIE NORBY** managed to graduate with high honors despite competition from the law school . . . decorated office with Utrillo prints and bullfight posters . . . preferred bermudas, bare feet and continual open house . . . directed staff . . . developed the ultimate in patience . . . especially with help of Julia Parenti, Faythe Butts, many, many freshman girls.

Business Manager **BILL BORING** watched over the money, bills and budget . . . left school spring quarter . . . hoped to be able to return in the fall.

Veteran business manager from the '56 book, **KAY BLASZEK** stepped in to fill Bill's place . . . succeeded with usual efficiency despite flutter of June wedding plans . . . then stepped in again in August for final proofreading and the index when another wedding stole the editor.

## sentinel crew gathers

Associate Editor **DEE SCRIVEN** squealed and swore over her living group section into the wee hours after graduation . . . poor girl couldn't read a ruler . . . turned 21 spring quarter.

**DANNA DAVIS**, associate editor, managed to track down the identity of almost every face in her clubs and organizations section . . . took care of Walt and the university switchboard in her spare time.

Associate Editor **WALT GERSON** "Sixteen Toned" his way through the sports pages . . . practiced tennis against the door and basketball in the wastebaskets.

Forester and head photographer **DON HARKIN** was responsible for most of the candid portraits and fall and winter activity shots . . . discovered trees and girls spring quarter . . . then lost his way to the Sentinel office and darkroom.

Faithful **CHUCK JANDA** always came through when prints were needed for the engraving deadlines . . . took all the shots of campus scenes including the night pan and aerial . . . will return next year as photo editor after vacationing with the forest service in Idaho.

**LARRY DAVID** took many a picture when desperation set in . . . **ROGER LIVDAHL**, **CHUCK DAVEY** and **HIDEO KIMURA** also manned the cameras.

## campus into pages

Adviser **CYRILE VAN DUSER** was always the consoler and calmer during a crisis . . . wrote all the copy for the faculty section from her vantage point in the Public Service Division.

**CLAUD LORD** . . . Superintendent of the university press . . . never too busy to explain or advise . . . printed Sentinel during hot July . . . and on into August . . . able assistants Rod Fisher and Gale Brammer caught many errors.
