

Dear ASUM,

This weekend, UM's chapter of Cru is going to the Flathead Lake Lutheran Bible Camp for our annual Fall Retreat. This is a time for students to study the Bible together, grow closer to one another, and to spend time in worship and prayer. These are essential parts of our mission as Cru to "provide resources and activities that allow interested students to explore, study, and grow in Christian faith, while caring for and benefitting the University as a whole." This event was open to any interested students, not just regular attendees. There will be twelve students and four staff members in attendance, as well as three volunteers.

Cru is requesting help covering the costs of transportation to and from Lakeside, MT. This amounts to \$161.25 to be distributed to five individual drivers to help with the cost of gas. They are volunteering to use their personal vehicles to transport students and staff to and from the retreat and would appreciate some of the cost being reimbursed, especially due to increasing gas prices.

Thank you for your consideration.

Sincerely,

Keegan Lundman, Cru President
