*B*acking misses into corners  
And implanting seals so sacred  
Are the fav'rite occupations  
Of the wearers of the white cross.

# Sigma Kappa

Live the girls of Sigma Kappa.

And excel in recreation.

Do these sweet young things play poker?

And while rivals crown a sweetheart,  
At their formal, pigs are honored.

# Theta Chi

Circle Bar X is their brand name,  
Red and white—their label colors.  
At their door hard times come knocking,  
And they play the part of hoboes.

In their track meet decoration,  
Theta Chis bid high school students  
To enjoy the “movies” showing  
The year round upon the campus.

Robert Hutchin makes a chess move,  
While John Beam and Allen Patton  
Plot their future lines of action,  
Waiting for the call to chow line.

Though the students liked their studies,  
It was known throughout the campus  
That they needed some diversion—  
Thus activities were founded.
