

## GREEKS

---

**NINE HUNDRED OF THESE** . . . protected by the crest,  
the pin, the monogrammed dishes . . . keep the easiest  
political pathway within their grasp . . . contribute much  
to school spirit. Tangible parts of national hierarchies  
. . . brothers and sisters in the bond.

Back row: MUDD, Delta Gamma; COLLINS, MILLER, Alpha Phi; GRIFFITH, Sigma Kappa; LUND, Kappa Alpha Theta; L. MILLER, Alpha Chi Omega; JORDET, Kappa Kappa Gamma; KREITEL, Alpha Chi Omega; HENNESSY, Delta Delta Delta.  
Front row: DOCKERY, Sigma Kappa; SHALLENBERGER, Kappa Alpha Theta; SHUDER, President, Delta Delta Delta; LANSING, Kappa Kappa Gamma; KITT, Delta Gamma; KEIG, Delta Delta Delta.

**GREEK WOMEN'S COUNCIL** of delegates from each sorority . . . regulates rushing, membership, and the incidental one-half of the Greek slate for spring elections. Progress this year measures most in the successful procedure for Panhellenic summer rushing . . . and the remote-control adoption of a French orphan.

## PAN-HELLENIC COUNCIL

# INTERFRATERNITY COUNCIL

**FRATERNITY CONTROL BOARD** . . . regulates conglomerate rushing . . . passes out trophies to top Greek teams in intra-mural, inter-fraternity sports competition. Sometimes ensnares itself . . . confusion during spring elections effected the loss of one of the good old nine.

Back row: SETHRE, Theta Chi; SWAB, Sigma Chi; BREIDENFELD, Alpha Tau Omega; SPARTZ, Sigma Phi Epsilon.

Front row: MILLER, Phi Sigma Kappa; STERMITZ, president, Phi Delta Theta; STROPE, Sigma Alpha Epsilon.

**ALPHA CHI** . . . founded in 1885 at DePauw University in Greencastle, Indiana . . . Alpha Xi chapter established . . . 1923 . . . Helen Hales, president.

**AUTUMN--** a new face for the "M",  
rivalry on Dornblaser, a last glance at fading colors, and  
student life turns indoors for study, play, and the hard  
task of getting started . . .

**WINTER--** blood racing to the tune of icy blasts and the hardier souls find diversion on snowy slopes, while the social whirl gets into gear . . . formals, dinners, and a watchful eye on the weather . . .

Lacy Photo

**SPRING--** a hint of green, the pages fade  
from books, and students find the out-of-doors a pleasant  
place for picnics, play, and waiting for **the day** . . .

**TWO-SIXTY FOUR** . . . a simple page to write . . . no pictures to identify . . . few names to unwittingly misspell . . . little chance to error. It's a useful page . . . for apologies, for obligations, for explanations.

The apologies are as brief as they are useless . . . specifically for delayed delivery . . . more vaguely for the scattered errors which somehow escape correction . . . yearbookish errors in spelling or identification or categorizing.

Obligations are simpler to express . . . they're of a double nature . . . some contracted . . . some less formally arranged. The former include Artcraft Engravers of Seattle; Durand Cover makers in Chicago; McKee Printers in Butte, and Catlin's studio in Missoula.

2

And then the uncontracted . . . the dwindling group of volunteers who produced this green-garbed book: Floyd Alfson, Frank Zubick and Art Foley . . . engrossed in their photographic world of flash-bulbs and speed graphics; John Lemire and his business staff . . . vendors of advertising space, with watchful budget attitudes; Dwain Hanson, soft-spoken sports editor; Cyrille Van Duser, congenial adviser; Bob O'Neil, capable associate . . . sometimes solemn, at others carefree . . . always helpful and concerned; and Doris Lund . . . constant yearbook colleague who generously applied her boundless energy to the long Sentinel year. Thanks, then, to these people . . . whose meager salaries were indicative of Sentinel's budget and did in no way compensate their contribution.

There are others . . . unmentioned here . . . to whom Sentinel is obligated . . . but it was this handful of people who made the tiny office their home and knew what deadlines meant and pushed this book to completion.

I scoffed when reading a last summer's letter from a friend who aired his yearbook views: "In later years," he wrote, "looking back on these four years, a man may safely conclude that the whole thing—failure, successes, friendships, hatreds, passions, and fancies—was a dream, dead and buried. And that is what school annuals are for, isn't it, to capture the dream between two covers? If college friendships meant anything, no annual would ever be printed. It wouldn't be necessary. But annuals are necessary, if only to mark the transition from one type of dream to another; from the good-old-college-life to the good-life and the-little-thatched roof, and all of that." And I scoffed and disbelieved when I first read these words. Because then it seemed school annuals had some greater purpose than that. They recorded a year . . . preferably in some original manner. Surely friends would remember friends . . . so . . . search for a theme, look to layout . . . a dedication . . . a method of organizing the old categories of university life into different original groupings. That was in the beginning.

And now . . . the product isn't artful, nor was it meant to be. It's not original . . . nor particularly adult. Possibly its only mark is organization, and who can say if that is good or bad.

But perhaps it will do one thing . . . perhaps some day it will rate a second glance from those who recall the good-old-college life . . . and in the same moment forget the good-old-collegians . . . perhaps it marks the transition . . . complete with faces, faces, faces . . . so that some day, we may remember.

—Marge Hunter

S
