public service division . . .

Administrative agency . . . carries on the university's off-campus activities and services . . . has varied departments.

SITTING: Virginia Golden, publications; Maribeth Dwyer, news service division; Ross Miller, director, public service division and news service; Jeanne Southard, secretary; Mary Margaret Courtney, secretary, home study and adult education. STANDING: Les Pengelly, conservation education extension; Cyrile Van Duser, student employment secretary, hometown news and yearbook adviser; Dick Harris, news service photographer; Cy Noe, tv assistant; Murdo Campbell, athletic news.

alumni association . . .

Keeps the MSU alumni in contact with the university, each other and the activities of each . . . this accomplished through the alumni news bulletin . . . maintains a permanent office on campus.

Kathryn Buzzetti, clerk; Marcus Bourke, secretary-treasurer, Montana State University Alumni Association, and Hulda Fields, records secretary, standing in front of the alumni house on campus.

The 1957 Sentinel has sought for change in organization, design and idea . . . not change for the sake of change but change for the realization that only by such can come revaluation of old ways and perhaps a fresher, more living and cohesive approach. The changes are many and evident. The only one I shall mention is the lack of advertising which did mean a small cut in budget which was compensated for by lack of color and less expensive covers. These economies will be foregone next year, and with happier merchants, we hope.

I wish to thank all those who so willingly gave of their time and effort to make this book a reality. The list is long . . . the immediate staff, of course, Kay Blaszek, Bill Boring, Chuck Janda, Don Harkin, Danna Davis, Dee Scriven, Walt Gerson, Larry David, Roger Livdahl, Chuck Davey, Julia Parenti and all the many freshman girls . . . Cyrile Van Duser for her advice and encouragement, Claud Lord, Rod Fisher and Gale Brammer of the University Press, Tom McConnell of Kingskraft Covers and Jack Gallant and Al Salisbury of the Artcraft Engraving Company.

The Missoulain photographers, Stan Healy, John Forssen and Ken Payton, Dick Harris of the University staff, Scotty Campbell of the Butte Standard and Shell Oil Company, and Ken Cooper . . . the many faculty members and students who cooperated when asked for information and posing . . . Bob Dundas, Lucille Armsby, Ross Miller, Marcus Bourke, Murdo Campbell, Dr. Carl McFarland . . . the Registrar's Office, Athletic Department, News Service, Kaimin, the Business Office and the Lodge Main Desk.

And most of all, the members of my family and Ross when the pressure made me difficult to live with . . . and Kay for the tedious finishing touches.
