## DR. ROY J. W. ELY

DR. ROY J. W. ELY

### A tribute by the Rev. Deane W. Ferm

The University community was shocked and saddened on May 17 by the sudden, unexpected death of Dr. Roy J. W. Ely. He is survived by his wife, Lucille, and by his two children, Peggy and Dick '56. Dr. Ely joined the faculty of Montana State University in the fall of 1939 and three years later became acting chairman of the Department of Economics and Sociology. When this department was divided in 1947, he became chairman of the Department of Economics—a position which he held until his death.

Dr. Ely served his University and community devotedly in many ways. He was a fine scholar and teacher. He was a faithful member of the First Methodist Church of Missoula and chairman of its official board. For many years he was a member of the Board of Trustees of the School of Religion, serving for several years as president of the board. He was an active and honored leader of Masonic and Eastern Star organizations, doing much to further the support of religious influences in the state institutions of higher learning. He was chairman of the Chapel Committee planning for the construction of a Religious Center at the University. These are only a few of the service organizations which felt the impact of his concern.

Most of all Roy Ely was the kind of person who in his quiet and unobtrusive way generated a healthy, spiritual influence on all who came in contact with him. He knew that man does not live by bread alone—that within every man there is a spark of divinity. Those of us who were fortunate to know Dr. Ely—whether it be students, colleagues, or others—have had our lives enriched by his genuine concern for his fellow men. Here was one man who knew what the prophet Micah meant when he exclaimed: "What does the Lord require of thee, but to do justly, to love mercy, and to walk humbly with thy God."
