

One of the earliest forms of organized activity in Montana (of the socially acceptable sort, that is) was the rodeo. Keeping with the Big Sky traditions, the Rodeo Club sponsors an intercollegiate rodeo in the Field House every year. The local KO Ranch Rodeo every spring is fast becoming a tradition, too.

A modern contrast to the ancient frolic of rodeo-ing is skydiving, a sport which has attracted participants all over the world. It offers a feeling of freedom (which comes after hours of stringent training) and, at times, death-defying excitement. The campus parachutists, the Silvertip Skydivers, have placed in national finals for the past two years.

Homecoming, one of the oldest traditions of any university, shows the university at its best. With the princesses riding on the royal float, the parade sparkled like a diamond in an engagement ring of napkins.

Every year a new Miss MSU is crowned. One girl out of twenty becomes a campus beauty to represent the University for the following year. Here Peggy Rismon, one of the finalists, straightens her lipstick before performing her medley of songs.
