The Pacific Northwest Library Association (PNLA) Leadership Institute is designed to provide opportunities for emerging library leaders in the Pacific Northwest to cultivate their leadership skills and potential.

Library leaders come in all forms and from all levels within libraries. They may be support staff or professionals, with or without library school degrees. If you are an emerging leader serving in any capacity in a library in the Pacific Northwest and have a desire to network with other leaders and increase your skills, this institute is for you!

Like a phoenix, we rise transformed. We soar to meet our challenges with a refined and reignited passion to serve, empower and inspire our communities.

We create vital spaces that serve as the heart of our communities.

Together, we embark on a journey of life-long learning and intellectual curiosity.

Our mutual commitment to access for all gives us reason to celebrate.
