**Quiz and Exam Policy**

Make-up policy: No make-ups will be allowed without prior notice. Be prepared to provide reasonable evidence for missing an exam. The best way to contact me is via my university email.

Prior notice: Notify prior to the scheduled quiz/exam date. An e-mail notification is preferred over a telephone call/message.

Missed quiz/exam: If you miss an quiz/exam and do not make arrangements for a make-up a zero will be entered into calculation of your course grade.

**Plagiarism and Cheating**

Some students are not aware of what plagiarism is and do not know that it is unethical. Plagiarism is the presentation of another person’s ideas or writing as one’s own.

All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or a disciplinary sanction by the University. All students need to be familiar with the Student Conduct Code. The Code is available for review online at http://life.umt.edu/vpsa/student_conduct.php

In this class, both plagiarism and cheating will result, at a minimum, in the assignment of an “F” to the test or assignment and a deduction of 100 points from the final grade. I reserve the right to assign an “F” for the course if either occurs.

**Notes:**

1. **October 28th is the last day to use add/drop form for Fall registration.** After that date no petitions to drop the course will be signed and no Incompletes will be given except in documented emergency situations.

2. **Students with disabilities** have the responsibility to declare their disability to the instructor at the beginning of the course if they require accommodations. Such students have the responsibility to arrange for such accommodations with Disability Services for Students.

3. **Attendance** is not mandatory and role will not be taken. However, your course grade is determined by participation in activities during class and quizzes and the final exam will cover all material including the text, lecture, videos, guest lectures and group work.

4. **Cell phones** and all forms of social media are to be turned off during class.

5. **Courtesy** is expected. Come to class on time and stay for the entire session. If you have an emergency and must come in late or leave early, please do so quietly.
