Resolution Amending ASUM Personnel Policy

Whereas, Item 2, Section 2 of the ASUM Personnel Policy is outdated;

Therefore, Let It Be Resolved that ASUM amend the first sentence of its Personnel Policy Item 2, Section 2 to read:

2.2. All non-elected student positions must be advertised on the “Electronic Job Board.”

Authored by: ASUM Senator Ali Tabibnejad
The ASUM Relations and Affairs Committee

Resolution Amending ASUM Personnel Policy

Whereas, Item 4, Sections 12 and 13 of the ASUM Personnel Policy contains redundant language vis-à-vis the ASUM Constitution;

Therefore, Let It Be Resolved that ASUM eliminates from its Personnel Policy Item 4, Section 12 and Section 13 the bulletins which directly quote the ASUM Constitution and amends the last sentence of each preceding paragraph to read:

The duties of this office are further enumerated in the ASUM Constitution.

Authored by: ASUM Senator Ali Tabibnejad
The ASUM Relations and Affairs Committee

Resolution Amending ASUM Personnel Policy

Whereas, the legality of Item 2, Section 4 of the ASUM Personnel Policy is questionable;
Whereas, working volunteer hours beyond the designated base hours is, and ought to be, a matter of honor and pride for ASUM employees and not a condition for their employment.

Therefore, Let It Be Resolved that ASUM amends its Personnel Policy Item 2, section 4 to read:

2.4 Positions with monthly designated base hours may not be compensated beyond that base. Any exceptions to this rule must be approved by the ASUM Executives and Senate. The Senate may provide retroactive approval for any exemptions made by the Executives during periods when the ASUM Senate is not regularly in session.

Authored by: ASUM Senator Ali Tabibnejad
The ASUM Relations and Affairs Committee

Resolution Regarding Accessibility

Whereas, The Associated Students of The University of Montana (ASUM) and their dedication to accessibility have recently been called into question by both letters to the editor and articles in The Montana Kaimin;

Whereas, the ASUM strive to be proactive regarding accessibility concerns;

Whereas, the ASUM have been diligently working to address accessibility issues with ASUM agencies and services, especially ASUM Transportation;

Whereas, the ASUM work with various University committees and groups to make UM more accessible to students;

Therefore, Let It Be Resolved that The Associated Students of The University of Montana (ASUM) reaffirm their strong stance in support of making ASUM agencies and services accessible to students at The University of Montana;

Let It Be Further Resolved that the ASUM will work to further build relationships with the Alliance for Disability and Students at The University of Montana (ADSUM) and identify accessibility issues with ASUM agencies and services, as well as on campus;

Let It Be Further Resolved that the ASUM will strive to continue to make The University of Montana accessible to all students.
