ASUM Office Manager
Resolution regarding an increase in the Curry Health Center Fee

Whereas, the Curry Health Fee funds the operation and range of service offered by Curry Health Center, including medical, dental, counseling, wellness, health enhancement, substance abuse, and sexual assault recovery service;

Whereas, the cost to maintain the current level of service to UM students is constantly rising due to inflation;

Whereas, in order to better serve increasing student demand for existing services, the Curry Health Center must hire certain new positions as outlined in their attached proposal;

Whereas, the Curry Medical Center must frequently update their infrastructure systems to be able to integrate properly with the rest of the medical community;

Whereas, these updates are usually capital expenditures (more than $5,000);

Whereas, $15,000 of the both the FY08 and FY09 budgets will used to build a capital reserve for the purchase of a digital radiography system (approximately $60,000);

Whereas, the Student Health Advisory Committee (SHAC) has approved the proposed FY08 and FY09 budgets for the Curry Health Center and unanimously endorsed the proposed fee increases for the corresponding years;

Therefore, Let It Be Resolved that the Associated Students of The University of Montana (ASUM) endorses the following Curry Health Fee increases:

Fiscal Year 2007-2008:
Increase the Curry Health Fee (fall/spring semesters) from the current $148.75 to $159.00. This is an increase of 6.9% or $10.25.
Increase the Curry Health Fee (summer semester) from the current $72.00 to $75.00. This is an increase of 4.2% or $3.00.

Fiscal Year 2008-2009:
Increase the Curry Health Fee (fall/spring semesters) from the current $159.00 to $167.00. This is an increase of 5% or $8.00.
Increase the Curry Health Fee (summer semester) from the current $75.00 to $77.00. This is an increase of 2.7% or $2.00.
Increase the Campus Programs Health Fee from the current $21.00 to $22.00. This is an increase of 4.8% or $1.00.

Resolution Amending ASUM Bylaws Article 5, Section 2

Whereas, ASUM Election Bylaws are outdated and need to be updated;

Whereas, ASUM Election Bylaws are vague and need to be made more specific in nature so that elections run smoothly and without major difficulties;

Whereas, the ASUM Senate should not be changing ASUM Election Bylaws around ASUM Elections in the spring of each year to correct problems that are correctable earlier;

Whereas, the allotted expenditure amounts for the President-Vice President teams, Business Manager candidates and Senate candidates are equal when the allotted expenditure should represent the level of office being sought;

Whereas, ASUM reimbursement for election expenditures is a policy that is sparsely used;

Therefore, Let It Be Resolved that the ASUM Senate updates and amends the following Bylaws in the following ways;

Section 2. Campaigning:

A. Campaigning, with the exception of primary petition signing, is defined as any activity which promotes the candidacy of one or more individuals for an office. This includes, but it is not necessarily limited to, scheduling appearances, the buying of votes with money, gifts, or alcohol, posting or publishing advertisements, holding a charity event such as a concert, rally or other social gathering, distributing literature, or lobbying a voter.

H. Campaign expenditures, including donations, by each candidate or write-in candidate shall be limited to these amounts:

1. President-Vice president team: The maximum expenditure allowed is $100, with or without a primary election.
2. Business Manager: The maximum expenditure allowed is $75, with or without a primary election.
3. Senators: The maximum expenditure allowed is $50, with or without a primary election.
4. Candidates may choose to be reimbursed for campaigning expenditures to the amount of $10, dependent upon receipts following the General Elections. Expenditures exceeding $10 will be matched 50% by ASUM. Total ASUM contributions shall not exceed $37.50 for Senate and Business Manager candidates and $50 for President/Vice President candidates. All claimed expenditures for reimbursement must have receipts. Expenditures without receipts will not be matched by ASUM.

I. Each candidate, write-in candidate, candidate team, or party must document expenditures for the Elections Committee and made public by filing an expenditure form, complete with receipts, by 3 p.m. two days prior to the general election. Expenditure forms must be filed even if there are no expenditures. Candidates who do not fulfill these requirements will have their eligibility to run in the general election revoked, and the person succeeding them in rank from the primary election will have their eligibility reinstated.

Let It Be Further Resolved that the ASUM Senate adopt these changes to the Bylaws immediately.

Resolution to amend Personnel Policy 3.0 (Reconsidered)

Whereas, The voters of Montana have recently passed a minimum wage initiative that ensures the minimum wage will continue to increase and change with the annual cost of living adjustments;

Whereas, ASUM has a long history of paying fair wages to its many student employees;

Whereas, by establishing this pay table, ASUM will ensure that the wages we pay students remain fair as the minimum wage continues to increase;

Therefore, Let It Be Resolved that the ASUM Senate amends item 3.0 of ASUM Personnel Policy to increase student pay rates at a constant level as the state minimum wage increases so that it reads;
