QUIET SUNDAY STEPS. resting from people . . . two on a walk; the sunny days with no general purpose . . . the Law building calls a moratorium on study and enjoys the sun.
A YEARBOOK . . . presumptuous title . . . as if these 304 pages could portray the year for some 3,400 individuals.

A theme . . . product of a moment’s thought . . . a year’s effort to make the contents fall into the grooves of that momentary fancy.

. . . And this is the result . . . one constructed around the other, a yearbook based on a cross-walks, minimized, edited, condensed . . . merely a cross-walks glimpse of a year’s existence upon a campus which in its entirety is termed Montana State University. A versatile existence . . . pictured through our eyes as three varieties of walks might be patterned.

To the straight and narrow ways, we designated the channelized parts of university life: the administration, both university and student, some 200 faculty members, the great 3,400. We cleared the by-paths for the extra-curricularites, the workers in words, the musicians, the followers of university drama, the gregarious belingers of clubs, those chosen few who fill the honoraries’ quotas, and those athletes who tread upon the rougher by-paths.

We routed the Greeks and dorm dwellers along remembered walks . . . and here also, those time-honored traditions and special days found their way.

Hopefully constructed to present a record of the year . . . here is another Sentinel.

It has been compiled and published for those people who walk upon this campus . . . and to each of them . . . it is respectfully dedicated.

ADMINISTRATION

ENERGETIC POLICY MOLDERS . . . governors, chancellor, and state board . . . university administrators and personnel people . . . ASMSU set-up, student voters' pride and joy.
ENTHUSIASTIC, YOUNG, PROGRESSIVE . . . President McCain has spent a significant year marked with the success of Referendums 51 and 52. Now, with the expansion hopes a reality and aided by a streamlined administration, the way is cleared for MSU's eighth president.

Looked to confidently by the state and students alike, a sense of respect and pride is associated with any mention of . . . .

PRESIDENT JAMES A. McCAIN
STATE BOARD OF EDUCATION

APPOINTED BY THE GOVERNOR, the state board of education members serve without compensation. They receive and revise budgets, appoint the executives of the different units of the University, and approve staff appointments.

LIKE ANY BIG business, the University must have a capable staff to conduct its affairs, both financial and scholastic. Funds must be allocated and checked. Students must be guided during registration. Records must be kept. These men help to manage the affairs of the University.

DR. RICHARD H. JESSE, vice-president of the University and a member of the faculty for thirty-six years, is the president’s trouble shooter.

J. B. SPEER, controller, helps with the budget, keeps an eye on expenditures, collects student fees. ANDY COGSWELL, director of public services, constantly reminds Montanans that they have a University. LEO SMITH, registrar, keeps a complete record of every student... issues grades, checks registration, and faculty reports.
DR. GORDON B. CASTLE accepted a January appointment by the state board of education as the dean of the College of Arts and Sciences. At the same time, Castle was appointed senior academic Dean. Under this new administrative system, he presides over the seventeen departments of the university and co-ordinates the university's entire instructional program.

JAMES W. MAUCKER, Dean and Professor of Education, is director of MSU’s summer session. KATHLEEN CAMPBELL is university librarian. University auditor is E. KIRK BADGLEY.
HERB WUNDERLICH, congenial dean of students, came to the University from Stanford in January. Maurine Clow has spent three years at MSU. As associate dean of students she is consultant to all university women. With these two, dozens confer daily about everything from grade points to week-end pers.

The University has steadily increased its personnel services in recent years and now has a well-trained group of counselors. A special group of advisers, headed by A. L. Kadlec works with the veteran group.

ADMINISTRATION

CENTRAL BOARD functions as the official administrative body of ASMSU. The strongest political group on campus, Central board offers desirable positions for spring campaigners. After political intrigues have been shelved for the year, Central board settles down to the work at hand and conducts its affairs through numerous sub-committees. Board members mingle weekly to chart the course of expenditures, activities, and campus policy.

Standing: SOLVIE, BADGLEY, BERGH, FREEMAN, FROST, SHALLENBERGER, FOX, BRIGGS.
Seated: KINNEY, MUELLER, MORRISON.

LOUISE MORRISON
vice president

PAT KINNEY
secretary
M BOOK COMMITTEE . . . publishes the small but reasonably valuable guide for students . . . contains a colorless account of a not-so-drab existence. ORVIS, chairman; HUNTER, PALMER.

OUTSIDE ENTERTAINMENT . . . a moneyless group . . . nonetheless coordinates student participation in the community concert program . . . occasionally secures visiting orchestras and plays. CROWDER, BUE, PAULSON, DEAN, ANDERSON.

ATHLETIC BOARD . . . faced more than the habitual budget worries in a year that saw a thorough shuffling of Montana's athletic program . . . when the smoke cleared . . . MSU was re-coached and athletically directed. FESSENDEN, BADGLEY, KINNEY, MUELLER, LUCAS, chairman; PORTER.

PUBLICATIONS BOARD . . . infrequently consulted overseers of the ASMSU-financed written words. When spring comes, doles out head positions on kaimin and sentinel to voluntary applicants.

Back row: MILLER, HAWKINS, WUNDERLICH, LAW, DUGAN, ORVIS.
Front row: BERGH, SHALLENBERGER, chairman; VAN DUSER, HUNTER.
COMMITTEES

CONVOCATIONS BOARD ... operates on a shoestring budget ... schedules the welcome Friday morning breaks in class routine ... imports as much outside talent as possible ... recruits reluctant student talent.

Seated: FREEMAN, HARRINGTON, chairman; LUEBBEN.
Standing: WORKING, BALDWIN, BUÉ, HELLAND.

SOCIAL COMMITTEE ... members relieved themselves of their only major function when they knocked closed dates from the social calendar in November ... survive because a social committee seems a logical inclusion in the asmsu set-up.

SMITH, KURFISS, MORRISON, chairman; BLESSING, SHORT.

TRADITIONS BOARD ... little understood committee ... regarded by some as the "originator of traditions" ... survived its most difficult period of keeping traditions alive for a student populace who simply didn't care ... anticipators of the new order ... the advent of the 18-year-old regime.

JOHNSON, NEILS, HUNTER, chairman; JESSE, KALLGREN.

BUDGET AND FINANCE COMMITTEE ... harried distributors of ASMSU funds ... headed by Lucas and advised by Badgley they listened to constant demands for more money, more money, more money, but doled this out judiciously.

BADGLEY, SARSFIELD, LUCAS, chairman; LUND, FROST.
ASSOCIATED WOMEN STUDENTS ... nearly eight hundred of them ... send representatives to their council, the liaison between university women and university administration. This group appoints upperclass women to start freshman orientation ... they meet North hall girls at trains ... to all new women students, they offer the counselor-counselee coke party. Sponsors of the Miss Montana program for two years, they set up that administration with its thirty-odd committee members ... thus they indirectly authorize the Miss Montana Pageant, the talent show and the Coronation ball. Routine duties involve gentle prods at recalcitrant coeds, who, regardless of jerked social privileges, join others on the dark green oval for the annual Lantern Parade.

Back row: LANSING, RASMUSSEN, BREWSTER, MILLER, SHORTHILL, BERGH, KINCAID, ROBERTSON, DANIELSON, HART, HUGHES, ALBRIGHT, BURR, ANTON. Front row: HARTIN, BELL, WORKING, LUEBBEN, WADE.
MISS MONTANA COMMITTEE

Standing: LUND, SYNDER, LAWSON, GALEN, BALDWIN, BURNS, JELLI-SON, TAYLOR
Seated: SHORTHILL, KIND, BURR, JESSE, CHAUVIN, FIELDS.

AWS COUNSELORS

Standing: HENNESSY, CHAUVIN, BURR, ERICKSON, McKOWN, HARTIN, YOUNG, HUNTER, O'SHEA.
Seated: McCREA, JORDET, CRUMBAKER, FRANZ, LUND, BERGET.
Top picture, store board: standing: MacLEOD, JOHNSON, REUTERWALL, HELDING.  
Seated: SEVERY, LALLY, McCOLLUM.

Bottom picture, Student Union executive board: standing: DRAGSTEDT, GAS-KILL, DAHL, REES, DUGAN, FORSYTHE.  
Seated: REUTERWALL, chairman: GLEASON, LLOYD, VAN DUSER, WUNDERLICH.

STORE BOARD

Elective positions insure student voice in the handling of the Associated Students' Store. Few understand either the function or the power of this group beyond store board's offering a few more contendable positions in spring elections.

Student Union Executive committee this year found itself the arbiter in a properties dispute . . . settled the matter compromise-fashion . . . settled back to discussing union improvements and problems.

STUDENT UNION EXECUTIVE COMMITTEE

While Others Stroll
AN INSATIABLE DESIRE to create, in their own small way ... an abtruse passion for unrewarded work ... a strange, lonely, unfathomable group, quietly or not so quietly engrossed in themselves and the dubious importance of their work.
A SENTINEL YEAR... unique existence...
countless cups of student union coffee... a
pill-box office overflowing with people... some who liked to look at pictures... some
who liked to talk... now and then, some
who worked... it didn't matter... they were
all essential... to complete the year... to
make the book.

It began in April... faltering plans at first,
which materialized in summer, and began to
be effected in the fall. Then a hectic winter
session... and finally, the deadlines... the
end of a Sentinel year... remembered for the
lesser things... a post-Christmas return to
a lime-green office... thermostats whose tops
tell off... five minutes off for a coke... hats
off to Montana and here's the contract... a
backward glance to see what Millar and Luen-
ing did in forty-one... how many greens can
you get in 12 pages... five minutes off for a
coke... train rides to Butte in cold, dark morn-
ings... then discard the rubber cement... pictures are in... write some copy... and
it's all over.
THROUGH IT ALL, a few were constants... John Lemire was an efficient business manager, conscientious and necessarily conservative. Dwain Hanson edited the entire sports section, and can call those forty pages his own. During all the year's minor catastrophes, Cyrile Van Duser was a patient, helpful adviser. Floyd Alfson stepped into the photo editor's job late in the year, and promptly proved himself to be a photographic God-send... his time was Sentinel's time. Their associate editor's title hardly does them justice, for Doris Lund and Bob O'Neil were more than that... they pasted, wrote copy, made layouts... designed sections... and helped make Sentinel a very liveable existence.
TITLELESS HELPERS

PICTURED HERE are more than a handful of people who wrote . . . or filed . . . or pasted . . . or did any number of necessary Sentinel tasks. In the normal scheme of things some were more persistent than others.

Hard-working Margie Jesse took time off from one or another of her various pursuits to perform thankless tasks. Tom Anderson was a valuable fall quarter worker. Marian Bell dropped in one day and then carried the appointment load for weeks. Jerry Baldwin was a congenial contract man. Frank Zubick began the year as photography editor . . . much of the pictorial work is his. The pathway sketches are Joyce Clark's. Al Widenhofer spent long cold afternoons sketching house doorways. Margot Luebben wrote a little bit but smiled a lot. Both were appreciated.

Working in the musty environment of a small cubicle above the auditorium was John Lemire's business staff . . . sparked by ad manager Ross Cannon and salesman Al Cochran plus a half dozen others; Barbara Blakeslee, Marianne Bauer, Donna Moran, Marie Krebsbach and Dean Joscelyn.

Isabel Gopian, Eleanor Anderson, Bill O'Neil and Tom Ambrose were consistent re-appearers in the editorial office.

There were others . . . not all pictured here . . . who worked . . . and thought about Sentinel . . . who someday may rise to categorized yearbook position of dubious desirability.

The Mountaineer... an open door to the creative urge of MSU’s workers in words... sorting, evaluating, criticizing... discovering wheat among the chaff... these are the jobs involving many hours of pouring over the hopeful entries for publication.

Still in its formative stages, the Mountaineer advances toward the goal of an imminent college publication as each successive staff leaves its mark of improvement typified by the re-organization effected winter quarter, a revamping including separation of duties, and the institution of editors for poetry and prose.

The Mountaineer pages are open to all who have something to say... makes no discrimination as to the class or major field of its contributors, but merely asks that their contributions be of the highest quality possible... the editors are not bound by restrictions attending and hampering commercial editors... literary worth is the sole criterion for selection.
KAIMIN EDITOR PAUL HAWKINS ... conservative and efficient, toe treading done lightly but emphatically, always an air of restraint and competence.

BUSINESS MANAGER BO BROWN ... handled a tough but unpublicized job to the credit of the best of businessmen. An ideal public relations man who quietly gets things done.
KAIMIN

REMINGTON ... industrious ... a constant worker ... major factor in Kaimin publication ...

SMITH ... newcomer to the associate game ... wise user of columnar attack ...

CORWIN ... conservative ... careful worker ... a steadying influence in a hectic business ...

DUGAN ... subtle Kaimin overseer ... capable ... well-liked.

MORRISON ... adds the necessary feminine touch ... concocted social spotlight ...

HANSON ... ambitious follower of athletics ... provided exceptional sports coverage ... worked long hours.
KAIMIN PEOPLE

INTERPOSED AMONG SHOTS of the physical workings of the Kaimin are pictured those who were most responsible for the work done in the news room and on the copy desk. Bill Smurr, columnist and feature writer; Carroll O'Connor, columnist; Ward Sims, feature writer; Don Graff, feature writer; Bob Crennen, circulation, and Bert Gaskill, reporter and feature writer.

All in all a pretty smooth year . . . a rather friendly quarrel with inter-fraternity council, no blows struck . . . a jibe or two at the Spurs . . . the great be-bop war . . . Uncle Paul's recipe column . . . a move toward friendlier relations with the Mountaineer and the English department . . . plenty of news and very few fist fights.
A NEW DRAMATICS set-up and a highly successful year . . . a tremendous selection of productions and concentrated season ticket sale to aid the plan to separate dramatics from ASMSU.
LEROY HINZE AND ABE WOLLOCK can be rightly proud of their 1948-49 season. Four difficult major productions were presented and each one of them was superbly done. Crowds flocked to see them all—"All My Sons," "Desert Song," "Life With Father," "Winterset." The switch to the Simpkins hall Little Theatre for "Winterset" had something to do with its success as well as serving to cut expenses. A great deal of credit for the sets should go to Ed Patterson, Bob Haight and J. C. Stevens. Bill Smurr handled publicity and season ticket sales. Tom Roberts and Nancy Fields seemed to put in twenty-five hours a day. If we were to mention anyone else it would certainly mean omitting some deserving person, and so other individual praise will have to be included in praise of the entire season.
ALL MY SONS

ARTHUR MILLER'S PRIZE modern tragedy was chosen as the Masquer's spring quarter production. Under the direction of Lewis W. Stoerker, it enjoyed one of the most successful runs of any recent production. The cast was headed by Don Lichtwardt, Dick Haag, Gayle Davidson and Wilma Oksendahl. The impassioned story of the effect of a father's war profiteering upon his family was dramatically and satisfactorily presented to enthusiastic audiences. It was a difficult task, well handled, and wrote a fitting climax to a very successful Masquer year.
SIGMUND ROMBERG'S DELIGHTFUL OPERETTA was chosen for MSU's first all-school production in two years... the joint effort of the dramatics and music departments... weeks of preparation... lavish, colorful sets... a cast of more than one hundred... choruses and dancing girls... intrigue and comedy in the desert to the accompaniment of the music of the incomparable Romberg... a masterful and extremely entertaining rendition of an old and well loved favorite... a triumph for the entire cast... three packed houses.
FLOYD CHAPMAN SCORED a personal triumph as the Red Shadow; and it would be difficult to find anywhere a more charming and gracious Margot than Gayle Davidson. Delightful comedy support was provided by Patti Leur and Denny Galusha as Susan and Benny. Jim Calahan played a very convincing and somber desert chieftan. George Lewis' fine tenor voice was put to great advantage as Sid El Kar, running mate of the Red Shadow. Supporting rolls were carried by Doris Eggei, Marie Wade, Bob Svoboda, Bruce Johnson, Jerry Baldwin, John Jones, George Armour, Mona Brown, Marta Drysdale and John Moore. Directors for the production were LeRoy Hinze, dramatics; John Lester, music, Norman Gulbrandson, chorus; Marian MacAllister and Betty Wylder, dances, and Lewis Stoerker, sets. Eugene Andrie directed the entire performance from the orchestra pit and kept an extremely difficult production running like clock work.
PATTI LUER AND PAUL TSCHACHE hilariously played Clarence Day's immortal father and mother in the Masquer's fall quarter production. The caricature of a nineteenth-century American family was directed by LeRoy Hinze, with the technical direction under Abe Wollock. The play rollicked through without a hitch, and a fine time was had by all. The excellent supporting cast was led by John Pecarich, Clem Ward, Marilyn Neils, Kurt Feidler, Joel Fleming, Carroll O'Connor, Irene Stritch, Gayle Davidson, Ed Patterson and Jim Callihan.
"MAXWELL ANDERSON’S MONUMENTAL TRAGEDY" became MSU’s most successful and most entertaining production in many years... Bo Brown and Dick Haag, working together for the first time, gave LeRoy Hinze a play which would have given enough satisfaction itself to offset the entire year’s work... The supporting cast, led by Larry Kadlec, Carroll O’Connor, Edmund Ward, Tom Wickes and Marilyn Neils was nothing short of terrific... The move to the Simpkins hall Little theatre seemed to be all to the good... Abe Wollock’s striking set was extremely dramatic and suggestive... All in all, it was a production which can long be remembered with pride.
IN HIS SECOND YEAR AT MSU, LeRoy Hinze placed dramatics in a place of prominence that it had seldom before experienced . . . His productions have been well above the class usually expected in a school the size of MSU . . . Abe Wollock, during his first year at MSU, handled all technical direction for the productions and took over the direction of "Volpone" as the Sentinel went to press . . . Ginny Risch is officially designated as secretary to Mr. Hinze, but her actual duties go far beyond that . . . The number of hours she spends behind a desk and behind stage during a normal production is rumored to run into the thousands . . . No mention of the season would be complete without a few inadequate words about Bo Brown . . . MSU's consistent star and talented actor, he topped off a highly successful college career by accepting a bid to enter the Cleveland playhouse next fall.
A VARIOUS PROGRAM given state-wide publicity by a hard working staff ... always keeping in mind that the new building is a must ... the University's spreaders of good will.
SELDOM, IF EVER A WORD of thanks, but the whole University would feel lost without them ... many, many hours and uncounted pounds of air pressure ... J. Justin Gray, young and hard-working, took his already over-worked charges into even new fields ... his half-time performances at the football games will be long remembered ... joined with the Bobcats at the annual Butte game ... a dilapidated band shack whose walls shake at every crescendo, but it is the only home they have.
ONE OF MSU'S FEW TOUCHES of culture, the symphony orchestra brings to the campus first class music which students would ordinarily have to travel a long way to hear. Working largely on their own time under Eugene Andrie, these students and faculty members produce good music deep in the wilds of Montana... ignored by the many but tremendously appreciated by the grateful few.
GEORGE PERKINS MAINTAINED a music school reputation for fine vocal groups with a series of excellently presented and well-received concerts spaced throughout the year. Working with a huge group of untrained voices, he presented the combined choral groups in concert during winter quarter. This concert was followed by the a cappella choir (pictured below) presentation of the last two parts of "The Messiah." Vocal groups are consistent tourers of the state and ambassadors-of-whatever-might-happen to be on the program for boosting.

DEBATE AND ORATORY

DEBATERS AND ORATORS . . . fifty students . . . built up record teams to send on tours to Montana high schools . . . to participate in Montana inter-collegiate meets . . . to compete in the Western Speech Association tourney and the triangle debate with WSC and Idaho. MSU debaters won the "Inland Empire" meet . . . returned undefeated from the Rocky Mountain Speech tournament . . . and qualified for the West Point nationals held in April.
SLALOM THROUGH SEASON with faithful pilgrimages to Big Mountain and Diamond... the ski club made a big splurge to see West Yellowstone... to ride the only chair lift in Montana. Skiers threw open the doors of Chalet of the Gold Room for their annual sweater dance... rewarded students with equipment prizes... tried to help the ski team get to Whitefish, Banff, and into Idaho and Washington meets. Scotty MacLeod captained the group... more than two hundred with enthusiastic novices... enthusiastic experts... and representatives of each of the various other stages of enthusiastic ski-ability.

The lodge, the lift, the loading-zone, and the run: then action, everywhere different, everywhere fun.

FOOTBALL

A HEAVY SCHEDULE, which included five home games, coupled with poor performances, the causes of which no person seemed capable of explaining, resulted in Montana’s poorest post-war season. The Grizzlies lost seven of ten games, and at the same time, their box office appeal.

Immediate repercussions were: (1) Coach DOUGLAS A. FESSENDEN requested and was granted transfer to non-coaching duties; (2) University officials revamped the athletic organization by separating the job of director of athletics and head football coach; (3) The university hired CLYDE W. (CAC) HUBBARD as director of athletics, and TED SHIPKEY as head coach; (4) Athletic accounts went in the red; (5) The Grizzlies occupied the cellar of the PCC with a 0-3 record; (6) Montana was named to play in the mythical Futility Bowl at Los Alamos, N. Mex.; (7) Montana continued its search for membership in a conference smaller than the PCC.

Possessor of the best coaching record in the fifty-year history of university athletics, Fessenden expressed the hope that his successor would not be handicapped by prejudices.
ALL-PCC HONORABLE MENTION honors were accorded HELDING by United Press, and MALCOLM and KUMPURIS received the same acclamation from Associated Press. MALCOLM ranked second in the PCC in pass interceptions and kickoff returns, and sixth nationally in punt returns. HELDING rated fourth in pass offense among PCC backs, and PREUNINGER was third in the conference in touchdown conversions.

Six seniors, BADGLEY, HARRIS, LEAPHART, LEEPER, PREUNINGER and RADAKOVICH, completed their collegiate eligibility. BADGLEY, JACKSON, JOURDONNAIS and MONAHAN sustained injuries that put them out of action for the season.

The Grizzlies elected BAUER and SEMANSKY co-captains for the 1949 season.
TWO GRIZZLY TACKLERS upset this Cheney back, but the Savages upset Montana in return.

CHENEY 12
MONTANA 7

THE GRIZZLIES' SLIPS started showing in the season opener when little Eastern Washington of Cheney outgained and outplayed them in Great Falls to earn an upset victory.

Weak Grizzly tackling, a bugaboo all season, permitted the Savages to run off the Montana tackle positions for consistent gains. Co-champions of the Washington Intercollegiate conference in 1947, Cheney avenged five previous defeats by the Grizzlies. Campus quarterbacks reasoned that either the game was a fluke or Montana was getting off to a bad season.

"Before the game no one would believe that Cheney is tough," Coach Doug Fessenden said after the game. "Maybe now they'll believe me."

UTAH STATE 18
MONTANA 7

A BANG-UP PERFORMANCE was turned in by the Grizzlies against the Aggies in the first home game, but Montana was shortchanged in the final tally. It was the Farmers' third triumph over Montana in as many years.

Coach Fessenden worked ground defense in pre-game practice, and Montana virtually mauled the Aggie line, but after the Grizzlies charged into the Utah backfield, they were only tantalized by the fancy capers cut by the Aggies' brilliant halfback, VAN NOY. The not-so-rustic Farmer scored one touchdown, passed for another, and set up a third as the Utahs lead at halftime, 18 to 0.

Before the game, Coach Fessenden said, "VAN NOY is one of the best running backs in the nation." After the game, Coach Fessenden said, "I guess I'll eat some worms."
PACIFIC 0  MONTANA 27

MONTANA'S FIRST VICTORY came at the expense of Pacific university. Only in blocking and tackling did the Badgers prove superior to the Grizzlies. Montana made capital of two recovered fumbles as it tallied in the first, second, and fourth periods. Enroute to the scores, the Grizzlies outrushed and outpassed the Badgers, and compiled more first downs.

"Well, we finally got over one," Coach Fessenden commented as he smiled broadly in the training room after the game. "We'll give WSC a better game next week."

WASHINGTON STATE 48  MONTANA 0

THE NIGHT BEFORE Montana's Homecoming game, Coach Fessenden spoke his piece before a gathering of students at a traditional bonfire rally. He was indignant over newspaper and radio reports that his team was facing inevitable defeat. Fessy saw a "whale of a ball game" in prospect, and asked for student support.

Players on both sides vividly recalled the 13-12 upset the Grizzlies scored in 1947, and the Cougars were intent to erase the nasty incident from their memories.

The sun shone brightly as the Grizzlies, keyed to fever pitch, pranced out of the locker room before the kickoff. A few minutes later an overflow crowd looked on in awe when the Cougars scored the first time they gained possession of the ball. Statistically, WSC trebled the Grizzlies, who reached Cougarland only twice and tackled feebly. The defensive star of the day was Montana's MALONE, who stopped everything thrown his direction.

After the game, Coach Fessenden was speechless. WSC's mentor had poured it on unmercifully. Campus quarterbacks realized the Cheney incident was no fluke.

THIS COUGAR BACK scored two of seven touchdowns that ruined Montana's Homecoming.
GRIM DETERMINATION WAS the keynote in this aged scrap. Return of the Copper Bowl to MSU was the reward.

MONTANA STATE 0   MONTANA 14

THE ANNUAL COPPER Bowl contest ended with the Grizzlies on top and last year’s loss avenged. Montana played steady, discerning ball before an overflow crowd of 10,000 in Butte’s Naranche Stadium. The Copper Bowl reappeared on the MSU campus after an unauthorized year’s leave of absence.

Critical talk of campus quarterbacks subsided temporarily after the Grizzlies won the most important game of the year. Two elements conspicuously absent all year—good tackling and blocking—appeared on the scene and were largely responsible for the victory.

The Grizzlies methodically marched 67 yards in 18 plays for their first score as HELDING sneaked over. A pass accounted for the second touchdown, and PREUNINGER, who missed two tries for extra point in the 1947 defeat, evened his score by kicking two conversions.

Montana had the edge in statistics and staged a stubborn defensive stand on its 17-yard line in the final period when the ’Cats seriously threatened. In what they hoped would be a surprise, the Grizzlies uncorked a single wing attack to open the second half. But the ’Cats had gotten wind of the innovation and Montana returned to its “T” after five plays.

“We played our best ball of the year,” Coach Fessenden said after the game.
IDAHO 39

IDAHO'S REVITALIZED VANDALS all but annihilated Montana before a more-than-surprised crowd in Moscow's Neale stadium in what was to have been a close game. The Little Brown Stein and a pot of prestige were lost by the Grizzlies, who had blanked the Vandals two years in a row.

The rude awakening was initiated even before the opening kickoff when the Idaho cheering section rudely and morbidly chanted, "Po...oor Griz...zlies." An Idaho back broke the bad news on the first play from scrimmage when he found a hole through center, raced into the secondary, evaded defenders, and galloped 38 yards before being hauled down. In the ensuing turmoil, the Grizzlies hardly knew, or believed, what was happening.

The Vandals scored in short order and added four more touchdowns in a nightmarish second quarter. The Grizzlies spent the rest of the afternoon fighting a complex. Superior depth and weight, amazing speed, and a remarkable familiarity with the fundamentals of the game provided the Vandals their margin for victory.

The Grizzlies lagged miserably in statistics. Forty-two per cent of their total offensive, 38 yards, came via the air, the only phase of the game they dominated. Capt. O'LOUGHLIN, injured on the opening kickoff, was lost for the day. The defeat thrust Montana into the PCC cellar.

"It's a great life," Coach Fessenden commented in a lifeless locker room after the game. A burly lineman, who had played his heart out, later remarked, "Sorry to let you down, coach."

IDAHO'S BROGAN BROKE into the open many times that afternoon in Moscow.
THIS TIGER BACK, escorted by a blocking end, was touchdown bound until a Grizzly effected a timely tackle.

**BRIGHAM YOUNG 26**  \hspace{1cm}  **MONTANA 20**

**A LATE RALLY** by the Grizzlies fell short after they suddenly came to life to score once in the third quarter and twice in the final canto. But once the Grizzlies got going, it was too late. Montana turned in its best performance to date in the fourth quarter of this game at Provo, Utah.

Brigham Young’s sophomore sprinter, **CHADWICK**, ran for three scores the first four times he carried the ball, and buried Montana, 19 to 0, by halftime. The elusive back broke away for runs of 77, 45, and 40 yards, and subsequently earned the reputation of being the fastest back Montana has faced in its post-war campaigns.

"We got off to a bad start," Coach Fessenden said upon his team’s return to the campus. "We should have won, and would have in another quarter."

**COLLEGE OF PACIFIC 32**  \hspace{1cm}  **MONTANA 14**

**LITTLE ALL-AMERICAN LEBARON**, behind a 217-pound line, was too much for the Grizzlies, even at their best, as they went down to their sixth defeat before a small Dad’s day crowd. Montana played good football but was completely outclassed by the West Coast independent powerhouse.

The Tigers arrived from a mild California climate hoping for similar weather conditions on Dornblaser field. Instead, they were greeted by a second quarter snow storm. Cold weather was responsible for nine pass interceptions and five fumbles that marred the mix.

Montana penetrated deep into Tiger territory on four occasions and twice lost the ball on downs after reaching the enemy 3-yard line.

"Montana played the game it is capable of," Coach Fessenden commented after the clash.
STANFORD 39  MONTANA 7

AT PALO ALTO the Grizzlies would have to be at their best if they were to avoid making a disgraceful showing, Coach Fessenden warned before the game. Otherwise, explained the mentor, Stanford could call the score.

The Grizzlies were at their best the first quarter, the end of which the score was tied, 7 to 7. Like Idaho, Stanford came through with four tallies in the second quarter to bury the Grizzlies. The halftime score standing at 32-7, the Indians went on the defensive the rest of the game and the score stayed graceful.

Montana's passers reached their season zenith against the Indians, who were reputedly weak against aerials. Grizzly passers connected on 14 of 26 tries for 221 yards, virtually Montana's total offensive.

"Stanford has a very fast line," Coach Fessenden recalled upon his team's return to the campus.

NORTH DAKOTA 7  MONTANA 47

A STORYBOOK FINISH, the most fitting climax of all, was written to the Grizzlies' disappointing season with a crowd-pleasing triumph over the Sioux on Dornblaser field. The two teams were rated on a par before the tilt, but Montana played an entire game to its potential the only time during the season.

The Grizzlies scored on the fifth play of the afternoon, and ran up a 26-0 score five minutes into the second quarter. The game was marred by slugging, roughing, and near-riot among the players when a Montana safety man was molested on a punt return. Meanwhile, the tremendous success of the Grizzlies moved the home cheering section to give out with its first wholehearted support of the season.

Amidst a victory celebration in the Grizzly locker room, Coach Fessenden joked, "Well, we looked a little better today."

A GRACEFUL SCORE was recorded when Stanford went on the defensive the second half after piling up a comfortable halftime margin.

SEVENTY-EIGHT ASPIRANTS answered Coach ED CHINSKE’S call for frosh gridders. Chinske looked them over, cut the squad, and moulded a unit good enough to send WSC’s Coubabes reeling against the ropes in the season opener. Ahead, 13 to 0, at the half the Cubs vanished in the second half when the coubabes rallied three times and won the game, 19 to 13. WOLD rambled 57 for a score, and WRIGHT broke loose for 58 and later scored.

The Cubs edged the Montana State Bobkittens, 24 to 19, at home by running across two touchdowns in the fourth period. BYRNE, speedy halfback, skirted left end for 66 yards and a score, and tackle SHANDORF recovered a fumble to set up the second marker. RATHMAN suffered a fractured leg and was put out of action for the season.

In a return match at Bozeman the Cubs sloshed snow and rain to post a 20-0 triumph over the MSC Kittens. WOLD scored twice, once on a 58-yard scamper.

The Butte School of Mines-Cub game was cancelled at the Miners' request and the season ended abruptly.

End ECHOLS and guard CASSICK were outstanding in the line. L. LeCLAIRE, a promising fullback, became ineligible.
SWIMMING TEAM

A BRIEF SEASON saw the Grizzlies win two of three meets and finish fifth in the six-team Northern Division match. They then broke four university pool records in a post-season session in which they swam among themselves for records.

The Grizzlies swamped Eastern Washington at Cheney, 63 to 12. On a week-end junket to the Palouse country, Montana ran over Idaho, 53 to 31, and lost to Washington State, the second best team in the division, 14 to 70.

Varsity letter winners were FORSYTH, HARASYMEZUK, B. INGERSOLL, T. OLSON, R. SAWHILL, SIMPSON, Capt. WARSINSKE, OLSON, and Manager OLSON.

New university pool records:

- 150-yard backstroke—B. INGERSOLL, 1:52.3. Old record, 1:59.2.
- 300-yard medley relay—B. INGERSOLL, Capt. WARSINSKE, YOUNG, 3:19.8 Old record, 3:27.2.
- 400-yard freestyle relay—FORSYTH, ALLEN, SIMPSON, YOUNG, 3:57.9. Old record, 4:01.

In addition, HARASYMEZUK tied the 220-yard freestyle record in 2:32.

FORSYTH set a time of 2:26.2 in the 180-yard individual medley, an event never run off before in the U pool.

Front row: YOUNG, B. INGERSOLL, O. INGERSOLL, BROWN, ALLEN, MURPHY, BALDWIN.

Back row: HUGHES, C. SAWHILL, Manager OLSON, FORSYTH, SIMPSON, HARASYMEZUK, SAWHILL, Coach BOB OSWALD.

Not pictured: Captain WARSINSKE.
EAHART, SELSTAD, Capt. ROCHELEAU, COPE and CARSTENSEN collectivized their confidence.

IN A 25-GAME SCHEDULE, the 1948-49 Grizzlies won 12, lost 13, and utilized a fast break to average a record-breaking 64 points per game. Montana won its first post-war state intercollegiate title, took fourth in an eight-team field at the Los Angeles Invitation tourney, and broke six university scoring records.

BASKETBALL
RUGGED FLOOR PLAY featured the Washington State games at home. Bad passes and personal fouls were a dime a dozen.

COACH GEORGE (JIGGS) DAHLBERG had ten lettermen on hand at the beginning of the season, but was faced with the problem of finding replacements for a pair of graduated guards. Center GRAHAM and Forward EAHEART were converted, SELSTAD arose from the bench, and the trio took turns at the guard posts.

Capt. ROCHELEAU started his fourth year as a Grizzly regular and wound up the team's second highest scorer, its top defensive player, and its best all-around man. The springy legged forward could score when the pressure was on and was the most consistent rebound retriever. In his four seasons he scored more points than any other cager in university history, a record he set during his third season.

The most dangerous man on the squad, COPE was the team's high scorer the second straight year. After being named one of America's thirty best cagers in 1948, the lithe offensive center was always shadowed by the opponents' top defensive man. But Cope played thumbs-up ball, was seldom stopped, and averaged a point more per game than during his sensational sophomore season. He set three university scoring records and was one of the standout offensive men in the Northwest.

CARSTENSEN seldom made the headlines, but was valuable enough to start nearly every game. The tallest man on the squad, the defensive guard had several good nights under the boards. His push shot from the keyhole hit with amazing accuracy when he took a notion to shoot.

GRAHAM faked Washington State's guards all over the floor while scoring twenty-six points in the season opener. He broke his hand in scrimmage a few days later, however, missed twelve games, and was just recovering his form when the season ended.

SELSTAD, the best floor man on the squad, provided the driving force a fast break must have. When no one else could pass into the hole or drive for a layup, he could. Coach DAHLBERG purposely kept him on the bench at the opening tipoff, and then used him as lubrication when the fast break became rusty. The crazy-legged guard could play all three positions.

THE PLAYERS
THE MOST IMPROVED man from the 1947-48 squad was EAHEART, who developed into a high-scoring guard in his first season as a regular. He was one of the fastest men on the team, used a one-handed push shot on the run, and ended up the third highest pointmaker.

BAUER, an on-and-off player, rounded out the “select seven” that saw most of the action. The lefthander played forward and guard, was cohesive on defense, and his unpredictable southpaw flips either hit in a spectacular manner or missed by a mile.

DUDIK, HELDING, KINGSFORD, MARINKOVICH, RIPKE, SCOTT, and THOMPSON provided reserve strength when called upon, but spent the majority of the time on the bench.

Four seniors, DUDIK, HELDING, ROCHELEAU and SELSTAD, completed their eligibility. Letters were awarded to BAUER, CARSTENSEN, COPE, DUDIK, EAHEART, GRAHAM, HELDING, KINGSFORD, MARINKOVICH, ROCHELEAU, SELSTAD, THOMPSON and Mgr. LERCH. Asst. Mgr. NEVE received a jayvee sweater.

ONLY ON REBOUNDS did Idaho State outdo the Grizzlies, who were generally weak in that department.
THE MOST SENSATIONAL play of the Bobcat series was made by SELSTAD, who dribbled the length of the floor, retracted his landing gears when he approached the hole, and stretched this shot into a layup.

MONTANA RAN UP a four-game winning streak near the end of the campaign, and won seven of its last nine games. In ten of their twelve victories the Grizzlies scored more than seventy points.

Characteristic of fast-breaking quintts, the Grizzlies subordinated defense to offense, but checked awfully close once the opponent's offense was set. Every man was in excellent physical condition, and not once was an enemy able to outrun or tire the Grizzlies, a team that used speed as its chief weapon.

Opponents choosing to run with the Grizzlies, found them hard to beat. But if the Montanans were slowed down by a defensive-minded opponent, their attack was sapped, since they were not skilled in an alternative set offense. Weaknesses were evident in passing, rebound work and converting free throws.

The Grizzlies lost six straight to top-flight competition before hitting the win column. They opened at home by losing two to Washington State, the second best team in the Northern Division. The Cougars' all-conference center, GAYDA, scored twenty-nine in the first game, but would have dropped in forty except for CARSTENSEN'S alert defensive job.

With GRAHAM out of the lineup, the Grizzlies lost a double-header at Logan to Utah State, and Wyoming, ultimate king of the Skyline Six conference. Two more games with Washington State meant two more defeats, but like the earlier series, the Grizzlies were within striking distance at one time or another.

ROCHELEAU held GAYDA to two points the first thirty-six minutes of the first game, then limited the big Cougar to six the second tilt. Meanwhile COPE tossed in thirty-six points in the series after being stopped by GAYDA in the season openers.
THE SEASON’S CYNOSURE was Montana’s startling upset victory in the Los Angeles Invitation tourney over Brigham Young, defending champs of the Skyline Six. The Grizzlies played way over their heads during a tremendous offensive battle in which the scoring differential was never greater than three points.

The next night the Grizzlies, conspicuously weary, lost to Pepperdine. They then lost to Wyoming, whom they pressed a good share of the game. ROCHELEAU led Grizzly scorers in all three tournament games. COPE’S showmanship earned his a Helms foundation medal for outstanding play.

COPE’S eleven field goals against San Jose were not enough, but his prodigious thirty-three points against Idaho State were more than enough, as the Grizzlies won a two-game series. Gonzaga was expected to drop two to the Grizzlies in Spokane, but the Zags shot and checked better to walk off with both games.

The Grizzlies turned in their best performances against the Montana State Bobcats in two games that broke the game scoring record for the series. Montana was red-hot the first game, and incredibly, remained that way the second night.

Gonzaga’s late arrival on a snowbound train, forced the cancellation of a third game with the Bulldogs. But the following night Montana won a thrilling game after trailing all the way. In the last five minutes SELSTAD did the driving and feeding, and EAHEART the shooting. The Grizzlies’ will to win paid off.

In a third game with Montana State, the Grizzlies made it three in a row and clinched the mythical state crown. By far the better team, the Grizzlies hit fifty-six per cent of their shots the second half, and spun a defensive cocoon about the Cats’ scoring threats.

In the series and season finale, the Grizzlies, namely ROCHELEAU and a band of substitutes, lost to the Cats by one point after the first-string left the game on personal fouls. The game total of 163 points, broke the series record once more, and the seventy-five fouls called on the two teams, also set a new mark.

FROSH BASKETBALL

TEN STRAIGHT WINS were registered by COACH ED CHINSKE'S Cubs, who won fourteen of eighteen games, and averaged 67.4 points per tilt.

Chinske was blessed with the turnout of a capable array of prospects, but was cursed by the impossibility of arranging a collegiate schedule for them. Killing time, the Frosh defeated Flathead county high's rangy prepsters twice at Kalispell. They also played and lost to the independent Missoula City Cleaners.

Chinske then conceived the constructive idea of entering the Cubs in the Western Montana Independent league. His yearlings won two non-league games, and when the play opened, they went on to win seven of eight games as well as the league leadership.

Punctuating the league schedule was a tilt with the varsity substitutes, and four games with the State college Bobkittens. When a Grizzly-Gonzaga game was delayed because of the late arrival of the Zags' snowbound train, the Cubs took the floor against the Grizzly subs and beat them, 66 to 62.

The Bobkittens won both games of a series at Bozeman, 72 to 68, and 69 to 53. The Cubs likewise made capital of their home floor advantage to edge their rivals twice, 55 to 53, and 71 to 70, in Missoula. The Cubs' talented HASQUET scored fifty-four points in the latter two games, which closed the season.

The starting quint was composed of HASQUET and LUCKMAN, forwards; LUCAS, center, and STOCKHOFF and ANDERSON, guards. HASQUET, a definite varsity prospect, led scorers with 292 points and a 16-point average. His running mate, LUCKMAN, followed with 188.
THE CLASSIC REMARK that Montana should play baseball in the fall when the weather is milder than early spring, was made by COACH ED CHINSKE before the season opened. He then made an about-face and produced the finest Montana team since the early ’20s.

With only three practices under its belt, a “sophomore” team left snow-blanketed Missoula in early April, for Lewiston, Idaho, and its season opener. There it lost two very close games to Washington State, ultimately the champions of the PCC Northern Division. A team that is denied a Northern Division schedule, the Grizzlies went on to win thirteen of its remaining seventeen games.

Defensive play reached as high a level as could be asked of a college club. For instance, the Grizzlies handled thirty-four fielding chances without error against Northern Idaho. Hitting was weak at times, especially against lefthanders, and upon occasion, it behooved the Grizzlies either to steal bases or squeeze in runs.

Fourteen lettermen formed the nucleus of a squad that improved tremendously over the year before. Capt. J. HELDING, a converted third baseman, developed into a steady shortstop and was one of the power threats at the plate. Guarding the hot corner, NICOL’S swift, accurate pegs to first made him look more like a pitcher.
CAPT. ELECT HILGENSTUHLER covered second base and was the classiest fielder on the squad. A Brooklyn boy who played Brooklyn-brand baseball, he had a mania for stealing home in a tie ball game. He didn't commit an error until mid-season.

The outfield was composed of the team's strongest hitters. ARMSTRONG's speed, arm and .365 hitting in the lead-off position, made him a fixture. WALSH blooped hits at a .379 clip and made a sensational catch to save the last game of the season.

The cleanup hitter, TABARACCI, almost single-handedly won games against Northern Idaho and Bozeman with his major league cut. DEMING, a lounger infielder, was another slugger and rounded out an outfield that had hustle to burn. A promising player, EAHEART, broke his ankle in the opening game and was lost for the season.

ROBERTS and MITCHELL divided the catching chores. Both made opposing base runners stick close to the bags, and knew how to handle pitchers.

A club that employs "inside baseball" needs good pitching, and Montana had it in 1948. COPE was not only the team's most consistent long ball hitter, but his smoke ball and wrinkling curve raised the eyebrows of both batters and pro scouts.

B. HELDING led the won and lost column with a 4-0 record. A heady pitcher, he had control, always pitched to spots, and was the type of hurler that made a good defensive team relaxed and alert.

LUCAS was a spot pitcher and drew all the touch assignments. He was smart on the mound and was a chuckler who built up tremendous team confidence. O'LOUGHLIN was the dark horse of the staff and led it in shutouts that came with the help of a fine change of pace.

At season's end, Coach CHINSKE wasn't the only man impressed by his winning ball club. Washington State's coach, BUCK BAILEY, called the Grizzlies one of the best teams his squad played in its pennant-winning season.

Men receiving varsity letters were ARMSTRONG, COPE, DEMING, EAHEART, B. HELDING, J. HELDING, HILGENSTUHLER, LUCAS, MITCHELL, NICOL, O'LOUGHLIN, ROBERTS, TABARACCI and WALSH.

THEY GO WITH THE GAME

SOMETIMES THESE ARE FORGOTTEN in a maze of statistics, but they are a part of the game... The cheerleaders: quite often forgotten, receive a great deal of ridicule as reward for a great deal of work; are not exactly innovators or champion stimulators... The crowd is large or small, usually depending on the showing the team made in the last game; they are quite often forgotten as a real part of the game by everyone except those who count the gate receipts... generally unenthusiastic, quite often prone to criticize, but on the whole quite concerned with MSU athletics... The band is generally appreciated and very deservedly so.
MONTANA PLACED THIRD in the Northern Division PCC track and field meet for the first time in history, and scored more points in the event than ever before. In regular season meets, the Grizzlies won three of four. Paramount in the picture was YOVETICH'S inability to repeat his 1947 hurdles performances.

ANDRUS, BRANDT, COPE, DOMKE, DOYLE, GRAHAM, GRAY, HEINTZ, MAYES, McLATCHY, PFEFFER, REGAN, ROCHELEAU, SCOTT, YOVETICH and Mgr FOX received varsity letters.

SIX GRIZZLIES WON points in the Northern Division meet in Missoula. Pictured clockwise, the men were SCOTT, MAYES, DOYLE, YOVETICH, ROCHELEAU and DOMKE.
1948 TRACK SEASON

A SIX-MAN SQUAD placed third at WSC's indoor meet in March to open the season. **DOYLE'S** 138-foot discus throw broke the Cougar fieldhouse record.

Montana's relay quartette, McLATCHY, DOMKE, STELL and GRAY, broke up a tight dual meet at Cheney, which Montana won, 67 2-5 to 63 3-5.

**SCOTT'S** sprint wins, **YOVETICH'S** hurdle triumphs, and **ROCHELEAU'S** versatility gave Montana a convincing victory at home over Idaho, 73 1-2 to 57 1-2.

WSC's brilliant trackmen walked all over Montana and a sloppy track at Pullman, 102 to 29. WSC's **POLSFoot** handed **YOVETICH** his first collegiate hurdle defeat, and broke the Montanan's winning streak at twenty-five races, with a low hurdles triumph in 24.7s.

**SCOTT'S** speedy 9.8s century highlighted an easy victory over the MontanA State college Bobcats, 100 1-2 to 28 1-2, on Dornblaser field under a hot sun.

For the first time in twenty years, MSU played host to the Northern Division meet, which was won by WSC. **YOVETICH'S** high hurdles win in 14.8s was the Grizzlies' only first place, but they grabbed eleven places in nine events to pile up 25 1-2 points, 2 1-2 behind second-place Washington, the defending kings. Oregon, OSC, and Idaho followed. **YOVETICH** again lost to **POLSFoot** in the lows. **DOMKE** cut loose with a sensational stretch sprint to win second in the 440 in 48.4s. **SCOTT** placed in the sprints, **ROCHELEAU** in the hurdles and **MAYES** in the pole vault and broad jump. **DOYLE** won second in the discus.

Front row: **DOYLE, YOVETICH, ROCHELEAU, COPE, PFEFFER**.
Back row: **FOX, manager; HEINTZ, DOMKE, McLATCHY, REGAN, KOBELIN, GRAY, CAPT. MAYES, COACH ADAMS**.
NORTHERN DIVISION MEET

A MEET RECORD was set by Washington State’s mile relay quartet in 3:17.2s. Montana’s GRAY helped the Grizzlies finish third.

SCOTT PLACED SECOND in the 220-yard dash, behind WSC’s KENISTON, who won both sprint events.

POLSFoot DEFEATED YOVEL TICH in the 220-yard low hurdles. ROCHELEAU came in fourth for the Grizzlies.
A WILD GOOSE CHASE into the wilds of Washington injected life into a season in which Montana won one of two meets, and finished last in the Northern Division meet.

Montana placed seventh in an eleven-man International Intercollegiate tourney at Banff, Alta. OST'S second in the slalom helped the Grizzlies, who finished one place behind Montana State in a meet won by the University of Washington.

The Grizzlies won their own invitational meet at Whitefish, defeating Montana State, Carroll college, Eastern Washington and Gonzaga. McCracken took third in the downhill. Johnson won fourth in both the slalom and combined slalom and downhill.

The Northwest Intercollegiate Union meet at Martin, Washington, was cancelled because of adverse highway conditions after the Grizzlies had departed from Missoula for the meet. Efforts to contact the uninformed skiers failed, and the weather-besetted highways proved a small obstacle. The Grizzlies arrived in Martin in time to make a U-turn and start back for the campus.

At the Northern Division meet at Pullman, Lodders won 19th in the downhill and contributed one-third of Montana's points with tenth place jumps of 107 and 112 feet. OST finished 15th in the slalom.
RIPLEY TOOK NOTES on Montana’s 1948 golf season when the Grizzlies shot, not one, but two tie matches, oddities on any course. Player-Coach SARSFIELD led his team to a successful season which also included two wins and one loss.

The Grizzlies opened with a 12-6 win over the State college Bobcats on the Missoula Country club course. SARSFIELD dropped a 40-foot putt on the eighth hole and carded a two-under-par 74.

In a second home match, Montana led Washington State most of the day, but the Cougars dominated the last three singles matches and tied the Grizzlies 13½ up. DAWES and B. LARSON played exceptional golf in the singles.

Montana’s second tie match was with a good Gonzaga team on the home greens ward. SARSFIELD shot another 74 and Capt. LARSEN blanked the Zags’ player-director in the singles.

The Grizzlies met their first defeat at Salt Lake, where Utah bested them, 7 to 2, in the wind and rain on long downhill-slanting greens. A match with Utah State at Logan was cancelled because of May snow.

Studies kept SARSFIELD and RADAKOVICH on the campus and an undermanned Grizzly team finished last in the Northern Division meet at Eugene, Oregon.

The Grizzlies and the Bobcats entered a 54-hole medal play Missoula Invitational tourney, and Montana emerged victors by comparative scores. Montana placed fifth in a 28-team field, four places ahead of the Cats, in the season finale.
CAPTAIN CUMMING’S PERFORMANCES as No. 1 man in singles were good enough to earn him eight wins in eleven matches, including victories over the No. 1 man of talented Washington State and Gonzaga teams. His showing in the Northern Division PCC meet at Pullman was equally as impressive.

Coach JULES KARLIN’S third winning team in as many years, gave him the title of the most successful coach on the campus.

THE MOST SUCCESSFUL season in Coach KARLIN’S three-year tenure saw Montana win nine of eleven matches and place third in the Northern Division PCC meet at Pullman. Grizzly netmen possessed the best overall record of any athletic team on the campus and extended their home court winning streak to fourteen matches.

A six-man complement was filled by three returning lettermen, ANNAS, CUMMING and JARDINE, and newcomers BOTTOMLY, HOLMSTROM and ROBINSON. All played singles except BOTTOMLY, who worked with JARDINE in the No. 2 doubles team. CUMMING and ANNAS formed the No. 1 doubles squad. Mgr. LEVINE and the six men received letters. ANNAS and BOTTOMLY completed their eligibility.

Captain-elect JARDINE won ten of eleven matches and showed great improvement as the season progressed. Another dependable, ANNAS, won eight of eleven.

Montana opened its season away from home with a 7-0 win over Cheney, but was edged, 3-4, by Gonzaga on the way home. In a three-day stand at home, the Grizzlies disposed of Whitworth, 4-3 and 5-2, and Idaho, 6-1.

An early May snowstorm in Walla Walla forced playing the Whitman match at Pullman, where Montana had lost to Washington State the day before, 2-5. The Grizzlies defeated Whitman, 5-2, as CUMMING capably handled the Whit’s frosh sensation, PENROSE. Montana played better against WSC than was expected. Three matches it lost went three sets, and CUMMING downed the Cougar No. 1 man, STRANKMAN.
GAMES WITH GONZAGA scheduled for May 7 and 8 on the MSU courts were rained out, but when the Zags returned to Missoula a week later, they lost two closely contested matches. In winning, 5-2 and 4½-2½, Montana made up for the early season loss at Spokane. CUMMING and Gonzaga's No. 1 man, BRASCH, split two tensely played matches. The Montana captain had defeated his rival in the earlier match and boasted a two-out-of-three season edge.

CUMMING reached the quarter-finals in the singles at the Northern Division meet, and collaborated with ANNAS to qualify for the doubles semi-finals. JARDINE played excellent tennis in besting Idaho's RAINEY in the longest match of the tourney. But he tired and was eliminated by FINDLAY of Oregon State, who was ceded third.

Rain delayed the tourney, eventually won by Washington, and the Grizzlies returned home to prepare for the season finale with the State College Bobcats. The Grizzlies outplayed the 'Cats, 6-1 and 5-2, in a severe windstorm, to close their fine season.
O'HERN dropped SAYLOR in the first round.
Cook drove FRASER into the ropes and cut his eye.
MARLEAU and ASID exchanged only a few blows.
Pres. JAMES A. McCAIN presented O'HERN with the outstanding boxer award.

"M" CLUB TOURNAMENT
SEVEN SPORTS ACTIVITIES were underwritten by the intramural department for the recreation and enjoyment of the student body. DAVE COLE, who succeeded PAUL SZAKASH as director in September, pledged to work to the best of his ability, and did just that.

The department was limited in finances, and the referees took their share of guff from the stands, but all in all, interest in the program was keen. Measured in terms of enjoyment students derived from it, the program was a huge success.

SOFTBALL

UNBEATEN JUMBO HALL defeated Phi Delta Theta, 3 to 1, for the championship.

JUROVICH. Jumbo pitcher, limited the Phi Delts to four hits and received good support afield. Triples by MORGAN and LOHSE provided the scoring punch for the Eskimos.

WAYWARD WALKS

FOR SOME ONLY a divergent step now and then; for others rather extensive ramblings; but no matter what the direction, everyone side-steps the beaten path occasionally.
Officials "dug up" a famous personality for MSU's big day. Contestants dug in for the traditional pie contest and cherry pits flew in all directions. For those who rose early enough the purpose of "A" day was quickly explained.

More energetic students took time out from picnicking to give campus lamp posts the new look, while faculty big-wigs used spare time to give students a lesson in softball.
DADDY ABER WOULD shudder if he could see what had happened to his memorial day . . .
"Lock the door, the spurs are in Siberia . . .
Get up? . . . the picnic won’t start for hours yet . . . Go to school? . . . they’ll put you to work if you get near there . . . Not resting, just waiting for a rake . . . I know she’s not wearing lipstick but I’ve wanted to meet her all year . . . Why vote? I’m not running for an office . . . What d’ya mean, my duty, I’m an Independent . . .
Raffle tickets? I’ve never won anything in my life . . . Who told the Theta Sigs about this? . . . it’s a lie . . . of course . . . Paper cups? Just throw them on the lawn . . . Swearingen always cleans up afterwards anyhow . . . High court? Sure I’ll go, they ain’t got nothin’ on me . . .
I hope . . . Well that’s over . . . where’s the nearest picnic? . . . Shay mister did you see a bunch o’ guys and a lot of beer go this way? . . . Girls should get late per on a day like this."

After it all things do look a little fresher, the grass begins to grow in earnest and spring feels that it has been officially welcomed.

An unidentified co-ed typifies "The Spirit of ’48" or I’m losing but I’m having fun?

Foresters, the official keepers of the steaks. What some people won’t do for excitement, and it’s water, too. The oval on Aber Day, playground of the gods. Greek, that is. Don Kern puts one over on the faculty. His mother never told him there would be moments like this. They don’t serve beer on the campus, we gotta eat you know.
DORNBLAZER FIELD BECOMES the center of activity and high school athletes try out the turf that they may—tread as Grizzlies . . . the high jump is always a center of activity . . . Loran Perry of Great Falls, despite an infected hand, managed to set a new interscholastic shot-put record and placed in the discus throw.

THE BILLINGS TRACK TEAM under the tutelage of MSU graduate Jack Emigh, broke Missoula’s interscholastic victory string at three and walked off with the 1948 championship. The weather cold . . . bad cross wind . . . crowd of about four thousand . . . noticeably lacking in MSU students . . . a good show . . . everyone well satisfied.

BULLDOG DiRE and Joe Heimes preside sedate'y at the registration desk . . . virtual towers of information . . . line-up of winners of the discus throw.
**INTERSCHOLASTIC WEEK**

**INTERSCHOLASTIC** runs pretty much true to form each year: classes are over Thursday noon and everyone but the hard-working few hurry to get off the campus before the rush begins and there is any danger of being trampled by the stampede... bartenders begin checking ages... the student union overflows with future Grizzlies and the green and gold neon M blinks on the oval. When it's all over, new interscholastic track, tennis, golf, debate, little theatre, and oratorical champions have been crowned and students hesitantly return to the campus to find everything in normal order by eight-ten Monday morning.

---

**THE PARADE OF HIGH SCHOOL athletes opens the forty-second interscholastic meet... Sigma Chis win the house decoration contest... what's on the other end of interscholastic pictures... Sigma Nu decoration... McGinnis hands out awards... Sigma Kappas... first place in the sorority competition... Ray Fenton guides the workings of the high school journalists' edition of the Kalm.
BURLY SUMMONS a new group of Silent Sentinels and one is reminded that despite another graduation, things will go on as usual . . . different faces, but the same spirit . . . still MSU . . . Mortar Board gets the same change in personnel . . . it seems a whole week of rush and marching that in a small way duplicate four years . . . the military gets out to join in the farewells . . . caps and gowns for a few days . . . and then blue serge.

LAWRENCE A. KIMPTON of Stanford addressed MSU’s largest graduating class as the fifty-first commencement speaker . . . Chancellor Selke spoke at Baccalaureate . . . War March of the Priests . . . Montana My Montana . . . Hail the Copper, Silver, Gold for the last time . . . and now just pay your dues and you are a member of the alumni club.
GRADUATION AND SENIOR WEEK

THE END OF ANOTHER YEAR . . . soft warm evenings . . . busy days and nights full of reminiscing and hope for the seniors . . . lantern parade on the oval . . . the last S. O. S. . . . senior dinner with all the big-wigs . . . parade across the campus in caps and gowns . . . proud parents look on . . . baccalaureate and then the last hour comes . . . long speeches . . . biggest class in history . . . haze filled auditorium and finally that little piece of paper which seems almost ridiculous in the presence of all that it stands for . . . a last look at MSU . . . and that is all . . . but the memories.

REGISTRATION LINES . . . book lines . . . coke store lines . . . lines . . . lines . . . lines . . . line up for the Bobcat games in the gym . . . line up to eat in Corbin Hall . . . line up to check your coat in the student union . . . and then the last line and it all seems worth it . . . no money to pay . . . no soggy potatoes . . . just congratulations and a kind of a warm feeling inside.

THE OUTDOOR BAND concert just before the lantern parade, a quiet serene ending for four years of hustle . . . reception in the Gold room . . . a mass of people and congratulations.
It wouldn’t be a freshman week without a new face for the “M”... everybody gets to meet everyone else and as much whitewash gets on people as gets on the hill.

“Orientation in one week” becomes confusion in one easy lesson but somehow the frosh always manage to get registered and usually there are very few casualties... a lot of people that no one knows are elected temporary class officers and a couple of hundred stag freshman men flood the mixers to dance with a couple of girls... it all seems a horrible mess and hardly worth while... rush week, a thousand handshakes, a thousand smiles, a few beers, smoky sessions in cellars... faces, faces, faces, faces... I think I will make an awfully good independent... finally it is all over and school isn’t half as bad as they make out that first week.

“I know. But I don’t want to take psychology. I’m a chemistry major... prerequisites... what are they?... registered first day?... how did they do it?”... Even Mortar Board gets in the swim with a tea... more faces, more introductions, more people, more smiles.
HOMECOMING

ANOTHER HOMECOMING . . . just like last year . . .
back for another look at the campus . . . the stories of
how things used to be . . . now, if we had football
teams like we used to have . . . and "foresters" in those
days . . . yes, the old place is still here, but it will never
be the same again . . . the same stories that have been
told thousands of times . . . but somehow it is all new
and worthwhile again at homecoming time . . . a
tradition that can't grow old or be forgotten as long as
the University lives.

ANN LANDRY. OIS-New hall candidate for homecoming queen, walked off with honors and
was crowned between halves of the game by Bill Burns, president of the alumni association. Here,
Marie Wade and Miss Landry atop New Hall Float.
Alpha Chis get in the swim and build the traditional float for their candidate for queen . . . the president of the alumni association crowns ANN LANDRY, the IS A—New hall candidate, Queen of Homecoming, for 1948 . . . the band welcomes WSC between the halves, the football team had already done its part along this line . . . the Kappas join in entertaining visiting grads . . . everyone gets together for the annual bar-b-que.

SAME GRADS, SAME STORIES

SAME PLACE, NEW TIME
ANOTHER HOMECOMING. they are as inevitable as the autumn itself... The athletic department gets a boost in gate receipts... Mom and Dad have a good excuse to run over to Missoula to see how Junior is coming with his studies... A sure sign of rain and Grizzly defeat... Reception at the house after the game... "When we trod the walks of old MSU..."... A great many headaches for a great many people but after it is all over it does seem worthwhile, that is if there are enough aspirins handy.

The Jumbo boys join in the variety show to prove to doubting alumni that things did not completely go to pot when they left... for the only time during the year the campus has a bonfire and there are even quite a few people out for the rally.

The Sigma Chis masked their entrance and built the prize winning fraternity decoration around it... the Sigma Kappas took first place in the sorority division... Jackie Perry, on the North hall float, lines up for the parade down Higgins avenue.
THE COMBINED GRIZZLY AND BOBCAT bands plug fifty-one and fifty-two between halves . . . the MSU band and twirlers advance to the stadium . . . the Bobcats swing down Park street . . . Buck shows that it can't happen twice in succession.

REVENGE FOR LAST YEAR'S audacious conduct of the Bobcats was methodically ground out on the granite of Naranche stadium and after the game it was found that Meaderville hadn't changed a bit in a year . . . dinner at Teddy's . . . a house party or two . . . and so home until next year.
BUTTE GAME

OFF TO BUTTE for the traditional trouncing of the Bobcats, discontinued temporarily last year because of circumstances beyond our control . . . parade . . . bands . . . snake dance . . . why do the Bobcats build better floats than we do . . . didn't see the game but sure had a fine time . . . Naranche stadium . . . where is that? . . . You know, Bobcats are real people . . . they may have better floats but did you see that game . . . Bobcats undoubtedly the best losers in the state . . . they've had the most practice.

SPURS AND BEAR PAWS lead the traditional parade down Park street . . . the MSC band steps out . . . Phi Delts commemorate the annual burial . . . and the Sigma Nus borrowed Barry's best fire engine again.
PATTI LUER, MISS MONTANA OF 1948, rated at Atlantic City as one of the fifteen finalists... was significantly recognized by people throughout the nation... began a series of eastern treks which more than established a foothold in the music world.

PATTI IS CROWNED at the annual co-ed coronation ball by Miss Montana of 1947, Carol Chaffin.

DANCES: NOT MUCH CAN BE SAID: we will always have them . . . a pain in the neck for faculty chaperones . . . money raisers for campus organizations . . . a lot of work decorating and then a kind of a good feeling when everybody has a good time and the "big dance" doesn't go in the hole . . . an hour and a half to get dressed . . . everybody rushing around like crazy . . . we couldn't get along without them.
IN THE SPRING QUARTER time is taken out from picnics for dances but they are forced to take a back seat to the more outdoor of extra-curricular activities. Fraternity men get together after spring elections and everybody remembers that "we are all Greeks together"... at least for the one night of Interfraternity ball ... House parties are in full swing ... Time out for Aber day ... Masquers stage a Spotlight ball ... The military drags out the brass for its yearly polishing and a new co-ed colonel is crowned ... A stuffy Gold room and a crowded balcony, hundreds of stars and dozens of wistful sighs ... Interscholastic brings the jitney dances ... A street dance here or there ... Most of the time, however, it is too hot to dance and it is much easier to sit around a campfire or go swimming by moonlight.
IN THE FALL QUARTER it is get acquainted time and dances run pretty much along the informal theme . . . barn dances, hay rides, firesides . . . no one cares much about dressing up and things are mostly come as you are . . . The Spurs go all out for Sadie Hawkins day and the WAA has a barn dance . . . The M club sponsors mixers after the games and the ski club fills the Gold room with evergreens, ski poles and the boards themselves for their annual hop . . . Dances are all right in the fall but there are so many other things to do and everyone knows that there will be all winter to dance . . . First football games get in the way and later on it is time to go skiing.
IN THE WINTER QUARTER the social whirl attains full speed . . . the skiers are not much interested in dancing but they are still in the minority . . . Foresters is, of course, the high point, for everyone except the lawyers, that is . . . The Bear Paws crown a Spur of the Moment, and Miss Montana for the year is crowned at the Co-ed ball . . . Fraternities and sororities concentrate on dinner dances, each trying to outshine the others . . . The Business Ad club finds time for another Bank Night and the pharmacists take their turn at decorating the Gold room . . . every group has its day to throw a dance and even the skiers come home for Foresters.
STUDENT CONVOCATIONS

IN A YEAR noticeably devoid of any student entertainment; a few bright spots did appear . . . the creative urge seemed at least temporarily stifled and convocations committee had to turn to other sources to fill its rather meager program.
PAN HEL AND INTERFRATERNITY provided the only bright spots in a bare year for student participation . . . The Radio Guild gave a mock radio broadcast and the Bear Paws and Spurs took a fling at entertaining before the Butte game . . . The music school presented a quarterly program which would be justification in itself for the entire convocations program . . . For the most part the committee secured good outside entertainment.
OUTSIDE ENTERTAINMENT

THE COMMUNITY CONCERT series featured for the most part soloists, of varied talent. The concert series provides MSU's only constant source of outside entertainment and is supported jointly by student funds and the Missoula Community concert association. Early in the spring quarter Albert Spaulding, violinist, climaxed the 1947-48 season. Frances Yeend appeared just before Christmas as the first artist of the 1948-49 season. She was followed late in the winter quarter by Rudolph Firkusney, Czech pianist and a leading interpreter of Czech music. The remainder of the 1949 program carried over into the spring quarter and was highlighted by the Minneapolis symphony orchestra.
IN THE ELECTION YEAR of 1948 even Missoula was not exempt from campaign speeches. A presidential and a vice-presidential candidate each appeared before MSU students, more for the novelty rather than for information. Governor Dewey spoke early in the fall quarter on Dornblazer field. His speech consisted mostly of the glittering generalities that characterized his campaign. Senator Barclay spoke before a convocation a little later on in the quarter. Although his speech was just as general as Mr. Dewey’s, it was not so glittering.

LIFE IN A PRE-FAB: not the pleasantest place to make a home; no built-ins; plenty of mud; no place for the kids to play; community showers; too many pets; dust; holes in the walls; but the residents of “Splinterville” will defend their community to the last against those who dare to utter any harsh or derogatory words against it.

AUTUMN— a new face for the "M", rivalry on Dornblaser, a last glance at fading colors, and student life turns indoors for study, play, and the hard task of getting started...
WINTER—blood racing to the tune of icy blasts and the hardier souls find diversion on snowy slopes, while the social whirl gets into gear ... formals, dinners, and a watchful eye on the weather ...
SPRING--a hint of green, the pages fade from books, and students find the out-of-doors a pleasant place for picnics, play, and waiting for the day...
TWO-SIXTY FOUR . . . a simple page to write . . . no pictures to identify . . . few names to unwittingly misspell . . . little chance to error. It's a useful page . . . for apologies, for obligations, for explanations.

The apologies are as brief as they are useless . . . specifically for delayed delivery . . . more vaguely for the scattered errors which somehow escape correction . . . yearbookish errors in spelling or identification or categorizing.

Obligations are simpler to express . . . they're of a double nature . . . some contracted . . . some less formally arranged. The former include Art-craft Engravers of Seattle; Durand Cover makers in Chicago; McKee Printers in Butte, and Catlin's studio in Missoula.

An then the uncontracted . . . the dwindling group of volunteers who produced this green-garbed book: Floyd Alfson, Frank Zubick and Art Foley . . . engrossed in their photographic world of flash-bulbs and speed graphics; John Lemire and his business staff . . . vendors of advertising space, with watchful budget attitudes; Dwain Hanson, soft-spoken sports editor; Cyrile Van Duser, congenial adviser; Bob O’Niel, capable associate . . . sometimes solemn, at others carefree . . . always helpful and concerned; and Doris Lund . . . constant yearbook colleague who generously applied her boundless energy to the long Sentinel year. Thanks, then, to these people . . . whose meager salaries were indicative of Sentinel's budget and did in no way compensate their contribution.

There are others . . . unmentioned here . . . to whom Sentinel is obligated . . . but it was this handful of people who made the tiny office their home and knew what deadlines meant and pushed this book to completion.

I scoffed when reading a last summer’s letter from a friend who aired his yearbook views: "In later years," he wrote, "looking back on these four years, a man may safely conclude that the whole thing—failure, successes, friendships, hatreds, passions, and fancies—was a dream, dead and buried. And that is what school annuals are for, isn’t it, to capture the dream between two covers? If college friendships meant anything, no annual would ever be printed. It wouldn’t be necessary. But annuals are necessary, if only to mark the transition from one type of dream to another; from the good-old-college-life to the good-life and the-little-thatched roof, and all of that." And I scoffed and disbelieved when I first read these words. Because then it seemed school annuals had some greater purpose than that. They recorded a year . . . preferably in some original manner. Surely friends would remember friends . . . so . . . search for a theme, look to layout . . . a dedication . . . a method of organizing the old categories of university life into different original groupings. That was in the beginning.

And now . . . the product isn’t artful, nor was it meant to be. It’s not original . . . nor particularly adult. Possibly its only mark is organization, and who can say if that is good or bad.

But perhaps it will do one thing . . . perhaps some day it will rate a second glance from those who recall the good-old-college life . . . and in the same moment forget the good-old-collegians . . . perhaps it marks the transition . . . complete with faces, faces, faces . . . so that some day, we may remember.

Scientific Lumbering Produces Many More Highly Useful Products for LESS MONEY, for You.

If the felling of trees were continued indiscriminately, as has happened in the past, in too short a time the value of a piece of “wood” would be as gold.

Scientific use of forest stands and scientific use of the yield is not only saving and perpetuating our natural supply, it is also saving money for the ultimate consumer of millions of lumber products and by-products. J. Neils Lumber Company is one of the larger companies which is practicing common-sense lumber in sustained yield and waste use for the benefit of all.

SUSTAINED YIELD is a program providing for “Selective Cutting” rather than “stripping.” It preserves forest, stimulates growth, protects natural water supply and wildlife, assures permanent economy for mill towns, and provides more public recreational facilities.

The Pharaohs had power galore at their command... man power... slave power. They squandered it on such useless projects as the pyramids. The glory of Egypt has waned.

The electric power used in American industry gives an average manufacturing worker the equivalent energy of 160 men working with him on his job all year long. The resulting production of useful goods available to ALL of the people has made America great.

When men are socialized or enslaved they lose the incentive to produce more and better goods at lower costs. Government ownership of the electric power industry would be a major step towards complete socialization of this country.

Your generation will soon be handling the social, economic, and political affairs of the nation. Don’t let America go the way of Egypt and Europe. Be active and vigilant to keep America free.

Montana’s pioneers caught the vision and held the faith that the future of their new commonwealth lay in the youth of the generations yet to be. History shows that immediately upon emergence from the swaddling clothes of territorial status, the pioneer legislators proceeded to make provision first for grade schools, then for high schools, and next for a state-supported system of higher education.

Their course in higher education was in large measure charted by the Enabling Act of 1889, which gave to the new state specific grants of land, (1) “for university purposes;” (2) “for a school of mines;” (3) “for state normal schools;” and (4) “for agricultural colleges.”

It was natural, therefore, that the legislative assembly, meeting in its third regular session in 1893, should act on the assumption that the designation of four separate land grants, implied four separate institutions, and it proceeded to create simultaneously, a university at Missoula, a school of mines at Butte, a normal school at Dillon, and an agricultural college at Bozeman. Thus 56 years ago, the pattern of higher education was set. In 1927 provision was made for the Eastern Montana State Normal School at Billings, and in 1929 for the Northern Montana College at Havre. All four institutions were made “units” of a consolidated system which was designated “The University of Montana.” A co-ordination officer, responsible to a State Board of Education, with enlarged powers, was provided for and given the title of “Chancellor.” Naturally the new units at Billings and Havre were “born into this system,” and are integral parts thereof.
