President’s Report
a. Mountainside Chat:
   1. Sharon O’Hare, Director of the Office for Student Success, and former Interim Executive Director of the Provost Office, talked about the new system for orientation which will be implemented beginning fall 2010. Previously, there were three orientations during the summer and one just before the start of each semester. In the past, 300 - 400 new students attending the fourth Orientation had difficulty registering for classes. The attrition rate for this group of freshmen was ten percent higher than for the participants in the other three sessions. It is possible that later Orientation participants were not adequately engaged with The UM from early on and possibly being disadvantaged by not being able to enroll in their preferred courses. The new system involves the preregistration of every incoming freshman for courses they need to take. As part of the preregistration process, all incoming freshmen
will be required to fill out an online Academic Interest Questionnaire as a way to assess which courses new students need.

b. Becca Seliskar, outgoing Director of UM Productions, introduced Lucas Conder, UM Productions choice to be Director for the 2010 – 2011 academic year. Ms Seliskar described the selection process for the new UM Productions director and Mr. Conder answered questions posed by senators. Dusek-Hanson’s motion to approve Mr. Conder as the new Director of UM Productions passed unanimously on a motion by Williams.

c. The ASUM Sustainability Center held its first “Trash Bash Recycled Fashion Show.” Students were asked to submit designs for clothing made from recycled materials as part of Earth Week, April 17 – 24, and modeled the designs in the UC Atrium April 19.

d. UM Administrators wanted to take a look at the student survey ASUM has been developing prior to its release. The survey is scheduled for distribution April 22. President Fennell asked senators to stay after the Senate meeting to talk about how to do outreach.

e. Event:
   1. From 3:30 to 5:00 p.m. on April 27, the Diversity Advisory Council Student Achievement Awards Program will be held in the South UC Ballroom. At 6:00 p.m. that same evening, the Outstanding Student Recognition Ceremony will be held in the North Ballroom.
   2. ASUM Transportation is sponsoring Walk n Roll Week April 26 – 30.

Vice President’s Report
a. Committee Appointments/Removals – There were three appointments to the Constitutional Review Board (CRB): Ali Tabibnejad, Eric Fulton and John Blake; and one Student At Large removal from the CRB: Colleen Eoff. Armstrong-Hanson moved to accept the appointments and removal as a slate. Booey called for unanimous consent but there was objection. The motion passed 11 - 7 on a roll call vote. (see Tally Sheet)

b. Senator Williams will speak on behalf of ASUM Thursday morning on KBGA student radio.

c. Hillside Chat:
   1. James McKusick spoke as a member of the campus community, and not in his official capacity as Dean of the Davidson Honors College, about an alternative proposal to the four-day work week which is currently
being studied as a university cost-cutting measure. Currently the fall and spring semesters are fifteen weeks long. His proposal is to make the fall and spring semesters 14 weeks long and lengthen the summer semester two weeks. He estimated a seven percent annual savings could result from restructuring the academic year this way.

d. Vice President May thanked the senators for folding the new Off-Campus Renter Center brochures for first-time renters. (Exhibit A)
e. Senator Booey volunteered to take over the coordination of Soup Friday, April 23.
