Resolution for the Purchase of a bus for the Late Night Bus program (U DASH)

Whereas, the Late Night Bus (U DASH) program fee of $2.00 was passed by voting students by 1496 yes and 412 no.

Whereas, the biggest problem that was found during the demonstration project for this service was the size of the bus

Whereas, the old bus seated 15 passengers and 10 standing passengers and the Coach Crafters bus will seat 24 passengers and 25 standing passengers

Whereas, the fee pays for operating costs with an estimated annual amount of $5,000 left for purchase of equipment (see attached budget)

Whereas, in the by laws for the Transportation Fee the transportation board can only approve expenditures of under 6% of the annual ASUMOT budget

Whereas, ASUM OT approved and sent Nancy McKiddy and a contracted mechanic to peruse the refurbished bus (see attached report)

Whereas, Coach Crafters has proposed an acceptable offer on the bus (see attached offer)

Whereas, this proposal comes to the ASUM Senate with full support of the ASUM OT board

Whereas, the ASUM OT board came up with a proposed budget and repayment schedule for this bus purchase (see attached)

Therefore, the ASUM OT board requests that the ASUM senate approve a $50,000 expenditure from MST 900 to purchase a bus for the late night bus program - ASUM Office of Transportation budget.

Nancy McKiddy, Director, ASUM Office of Transportation

Aaron Flint, President, ASUM
