President’s Report
a. Mountainside Chats:
  1. Teresa Branch, Vice President for Student Affairs (SA), spoke about her role as one of the five vice presidents who report to the President of The University. SA is the administrative branch most concerned with student life outside the classroom. The primary objective of SA is student success and this is achieved in a number of ways: increasing visibility and the availability of student services, improving services for non-traditional and underrepresented student populations, and advocating for diversity across campus. The eleven departments within SA address three different functions; enrollment services, campus life and student assistance/targeted services.
  2. Sharon O’Hare is the Executive Director of the Office for Student Success (OSS), a year-old program that is part of Academic Affairs. There are several programs within OSS, including the Undergraduate Advising Center, The Writing Center, the Math Tutoring Centers, Study Jam and various programs for incoming freshmen. One of the latter programs is the preregistration of incoming freshmen to ensure access to courses needed for their majors.

b. Senators have been invited to watch the Lady Griz basketball game, December 5, from the President’s box. A signup sheet was passed around and those wanting to attend were reminded to R.S.V.P.

c. President Williams expressed her expectation that senators will volunteer for some tasks she has available to assign during senator office hours.

Vice President’s Report
a. Committee Appointments/Removals – A motion by Suzuki-Sanders to approve the removal of Buddy Holcombe from, and the appointment of Skylar Suhrer to, the Sustainability Board was approved unanimously.

b. Senator Gursky will appear on the KBGA program, ASUM Live, Thursday, December 2.
c. Montana Women Vote is sponsoring the 5th Annual Women’s Policy Leadership Institute, January 28 and 29, in Helena. An informational flyer was passed around for those interested.
