Resolution to amend Fiscal Policy

Whereas, ASUM student groups receive ASUM funds for special events and travel,

Whereas, Students groups are currently not required to do follow-ups on how ASUM funds were actually

Whereas, This would allow Senators to better understand ASUM groups, their functions, and purpose on
This would allow all parties to better understand the value of ASUM funds,

Therefore let it be resolved that the following sections will be added to Fiscal Policy:

11.6 Special Allocation appropriations over $500 will require the group, within two weeks from the com to give a brief oral synopsis of the event to the Senate.

14.7 Travel allocation appropriations over $500 will require the group, within two weeks from the comp give a brief oral synopsis of the event to the Senate.

Authored by: Kyle Engelson, Senator; Averiel Wolff, ASUM Business Manager
