Resolution to Amend Bylaws Regarding Senator Duties

Whereas, the students at the College of Technology are members of the Associated Students of the University Of Montana at Missoula;

Whereas, The College of Technology merged with The University of Montana in 1994;

Whereas, The Associated Students of The University of Montana has not fully integrated the College of Technology into its events, issues and representation in the nine years since the merge;

Whereas, 933 students attended classes at the College of Technology in Spring 2003 and more than 1,200 students are expected to attend classes at the College of Technology this fall;

Whereas, “staying in touch with the student body” is listed under the duties of a Senator of the Associated Students of The University of Montana in the Bylaws;

Whereas, students at the College of Technology have difficulties traveling to the main campus where the offices of the Associated Students of The University of Montana are located;

Whereas, it is important for all Senators to observe firsthand the conditions and issues at the College of Technology in order to represent the students there;

Therefore Let It Be Resolved, the Associated Students of The University of Montana amend Article III, Section 2 of the Bylaws to read:

Section 2, Duties. All senators must carry out their duties as listed in the Constitution and Personnel Policy.

A. All Senators shall serve on at least two boards or committees unless specifically exempted by the Vice President.

B. All Senators shall attend all Senate meetings, for the duration of the meeting, unless excused by the President or the chair.

C. Any presidential appointments made to fill vacant Senate seats shall be approved by a two-thirds (2/3) majority vote of the Senate.

D. All ASUM Executives and Senators are required to attend an ASUM seminar to be offered fall semester. The class will be no more than once a week and no longer than two hours per class. If the ASUM class conflicts with a Senator's or Executive's class or work schedule, they will not be required to participate. In addition, Senators and Executives will be required to attend a fall organizational meeting, and an optional spring retreat may also be offered.

E. All ASUM Executives and Senators are required to staff an ASUM table in the UC no less than two hours per semester with the purpose of staying in touch with the student body at the University of Montana to address issues of concern. Failure to do so will result in an unexcused absence.

And it be further Resolved, that this resolution will be enacted November 1, 2003.
F. All Senators shall formally be required to hold one office hour each five-day week in the ASUM office on the mountain campus. At least one Senator must serve one office hour at the ASUM office at the east campus of the College of Technology each five-day week. All Senators shall formally be required to hold one office hour each month at either the east or west campus of the College of Technology.

1. This office hour must occur between 8 a.m. and 4 p.m. Monday through Friday.
2. This office hour must be posted by 5 p.m. Friday the previous week.
3. The office hour served at the east or west campus of the College of Technology will not be in place of the mountain campus hour.
4. Failure to do so beyond three missed office hours will result in an unexcused absence.
5. For attendance purposes, Senators are required to sign in on time sheets located at the front desk.
6. The office hours will be started by the Monday before the third Senate meeting and will be held each day that regular classes meet. Office hours will not be required during days when classes are not held or during the week before finals week.
