MSU BACTERIOLOGY APPOINTMENTS ANNOUNCED

Two new assistant professors, Dr. Richard A. Faust and Dr. John Jacob Taylor, have joined the bacteriology faculty at Montana State University, Missoula, President Carl McFarland announced Monday.

Dr. Faust received a Ph. D. degree this year from Purdue University, Lafayette, Ind. His B. S. and M. S. degrees were also earned at Purdue, where he has been a bacteriology instructor and a research fellow under grants from the U. S. Public Health Service and the Atomic Energy Commission.

Dr. Taylor holds M. S. and Ph. D. degrees from Ohio State University and an undergraduate degree from Heidelberg College in Ohio. He taught science in the U. S. Armed Forces Institute, Beppu, Japan, in 1946-47. While he was working for his doctorate at Ohio State, he served as Graduate assistant, teaching classes in bacteriology. He has published in Nature Magazine.
