Chair Edmunds called the meeting to order at 6:02 p.m. Present: President Gursky, Vice President Edmunds, Business Manager Sims; and Senators Bennett, Boslough, Brown, Coon, Dantic, Haefner, Hohman, Klapmeier, LaFortune, Molgaard, Nielsen, Overturf, Selph, Simpson, Springmeyer, Summers (6:04), Suzuki, Williams, M. and Williams, T. Unexcused: Senator Ellis.

The minutes from the November 30, 2011 meeting were approved.

Public Comment
- Anna Kendall, Sports Union (SU) President, provided a brief overview of the union. The SU has a total of fifteen member teams, including two new ones, Handball and Women’s Lacrosse.
- Marissa Grinestaff, UM Productions (UMP) Director, and Brian Moses, UMP Assistant Concert Coordinator, provided an update of upcoming events (Exhibits A and B). UMP has been serving students’ interests and promoting the arts on campus for 42 years. The UMP office is open 9:30 a.m. to 4 p.m., Monday through Friday and senators were encouraged to stop by, visit and take advantage of any opportunity to get to know UMP, its activities and its organization. There is also a suggestion box available.
- Jayme Fraser, Editor of the Kaimin, asked senators to fill out a survey (Exhibit C) and share any suggestions for change or improvements. The Kaimin has been on campus for 114 years.
- Julie DeSoto, Emily Creasia, Zach Patten, Abbey Isaac and Corey Roberts, students of Arabic, spoke in favor of SB20-11/12. Students want something to show for the hours spent studying Arabic and the establishment of an Arabic Minor would address this.
- Kip Beckwith spoke on behalf of himself and several additional members of the UM Wilderness Association: David Wise, Patrick Rhea, Anton Gabrielson, Lindsay Anderson, Gloria Roe, and Cory Smith, in support of SB19-11/12. The group unanimously supports the opportunity for public comment on Representative Rehberg’s House bill.
- Keith Glaes, Director of Campus Recreation (CR), announced his retirement at the end of the month. Brian Fruit, Assistant Director of CR, will serve at the Interim
President’s Report

a. Mountainside Chat: Royce Engstrom, President of the University of Montana, announced that the establishment of an Arabic Minor is part of the submissions packet for the January 2012 Board of Regents (BOR) meeting. If approved, currently enrolled students would be able to request the Arabic minor retroactively. In a press conference December 2, President Engstrom announced two decisions: the indefinite suspension of the proposed biomass heating plant project and the eventual location of the new College of Technology (COT) building on the south campus golf course as soon as funding is available. The BOR and the office of the Commissioner for Higher Education are working to promote the visibility and role of two-year higher education institutions. One of the strategies is a branding exercise to rename all the COT’s in the state since the current term doesn’t do justice to the actual offerings. The next University Council meeting will be December 13, at 2 p.m., on the third floor of the University Center and senators are always welcome to participate in open comments and discussion on any issue of concern to students, administration, faculty or staff. President Engstrom will be leading a discussion on shared governance at the December 13, University Council meeting.

b. Jamie Robertson and Jon Adams, Information Technology Computer Systems Analysts, have been developing a couple of new applications for students, Community Hub (Exhibit D) and One Stop (Exhibit E), that make use of social networking tools. The most significant difference in One Stop will be the posting of official notices from all over campus that will be specifically relevant to the individual student. Students will be able to customize a list of applications they are interested in and have a dashboard for The University all in one place. New features are also being added to the Academic Planner (Exhibit F). A profile page will provide a summary of a student’s academic status and charts demonstrating academic progress over time will be available. Students will also be able to communicate with their advisors through the site.

c. Rosi Keller, Associate Vice President for Administration and Finance, updated the Senate on the Gilkey Executive Education Center building project (Exhibit G). First
proposed in 2005, the funding is almost in place to allow the project to go forward. Student approval is needed for $920,573 in Student Building Fee (SBF) funds. President Gursky indicated she is not comfortable approving use of the SBF yet and appointed four senators to a subcommittee to work with the Administration on the request.

The Chair recognized the presence of Senator Summers.

d. The Senate Christmas party will now be held on the third floor of Education Building starting at 6:30 p.m., December 10.

e. The ASUM executives will be meeting with President Engstrom’s administrative cabinet December 8, at 7:30 a.m. There is room for any senators interested in attending. Senators unable to attend can let President Gursky know of agenda items they would like to propose.

f. Senator Summers is graduating and has submitted her letter of resignation from the Senate.

g. President Gursky handed out a summary of results from the Strategic Planning (SP) retreat (Exhibit H) and two of the proposals for reorganizing ASUM office space (Exhibit I). President Gursky’s goal is to have the SP document completed and available by the first Senate meeting of spring semester.

Vice President’s Report

a. Know Our Community – Riley Gallagher, Paul Nicolette, Yomi Kleinmann and Patrick Johnson of the UM Backcountry Club shared photos (exhibit not available) of a recent backcountry trip partially funded by ASUM. b. Committee Appointments and Removals – none

c. The next University Council meeting is December 13, starting at 2 p.m. in one of the University Center third floor meeting rooms.

d. Vice President Edmunds is working with Rebecca Power, an Administrative Associate in the President’s Office, to compile information from University Committee chairs, a project they hope to complete by spring semester.
