Resolution in Support of the University Center Renovation Fee Increase

Whereas, the UC Renovation fee does not pay for the total amount of the bond payment,

Whereas, the UC Operating budget is slashed by $220,000 to pay for bond payments every year,

Whereas the UC currently has $467,000 worth of deferred maintenance,

Whereas, the $220,000 currently used for the bond payment, will be utilized directly for the Major Component Repair and Replacement schedule,

Whereas, if the Major Component Repair and Replacement schedule is not kept up to date, students will be hit harder with a larger fee in the future,

Therefore, let it be resolved, ASUM endorses a financially responsible plan of assessing a $2.00 fee for the next 4 semesters, to bring the UC renovation fee to a total of $30.00 per semester, which will cover the total amount of the bond payment.

Passed 2/19/03 Roll Call Vote 174-30-21
Resolution to amend Bylaws

Whereas ASUM Bylaws currently require election candidates to turn in their party expenditure form by 3 p.m. just the day before the general election;

Whereas if this expenditure form is not turned in by 3 p.m. prior to the general election the candidate is disqualified from the election;

Whereas this is not sufficient time for the election committee to disqualify the candidate, inform the Kaimin and give enough time to remove their name from the ballots;

Therefore let it be resolved that the Senate of the Associated Students of The University of Montana do hereby alter their Bylaws in the following fashion:

Article V, Section 2, Paragraph H-
Each candidate, write-in candidate, candidate team, or party must document expenditures for the Elections Committee by filling out an expenditure form, complete with receipts, by 3 p.m. two days prior to the general election.
