ASUM Office Manager
Resolution to Amend Bylaws

Whereas if the ASUM COT Officer position is created the role of the ASUM COT Affairs Committee will be different than it has hitherto been,

Whereas the bylaws defining the ASUM COT Affairs Committee have become largely outdated,

Whereas the bylaws defining the ASUM COT Affairs Committee seem to be a result of wishful lawmaking and not realistic,

Therefore let it be resolved that the ASUM amends Section 12 of Article IV of its bylaws replacing

Section 12. College of Technology Affairs Committee (CTA):
A. The CTA Committee shall be composed of eleven (11) members, of which five (5) shall be members of the Senate, three (3) shall be students of the west campus of the College of Technology, and three (3) shall be students of the east campus of the College of Technology.
B. A Senator who is also a student of the College of Technology shall chair the Committee.
C. A quorum shall consist of six members.
D. The Committee shall be responsible for all activities occurring on the College of Technology campuses that affect the ASUM.
E. The Committee shall review the ASUM governing documents and recommend changes as necessary to meet the representation needs of students attending the College of Technology.
F. The Committee shall meet on the College of Technology campuses with a reasonable alternation between the east and west campuses.

with

Section 12. College of Technology Affairs Committee (CTA):
A. The CTA Committee shall be composed of eleven (11) members of which five (5) shall be members of the Senate and the rest students at large from the COT. Any student may be a non-voting advisory member of the committee.
B. A Senator shall chair the Committee.
C. The Committee shall be responsible for all activities occurring on the College of Technology campuses that affect the ASUM.
D. The Committee shall review the ASUM governing documents and recommend changes as necessary to meet the representation needs of students attending the College of Technology.
E. The Committee shall meet on the College of Technology campuses.
