The Associated Students of The University of Montana
Resolution Regarding ASUM Office of Transportation
January 25, 2012
Senate Bill Number: SB25-11/12
Authored by: Mariah Williams, ASUM Senator, Asa Hohman, ASUM Senator, and
Jeff Edmunds, ASUM Vice President
Sponsored By: Travis Suzuki, Dylan Klapmeier, and Gwendolyn Coon, ASUM
Senators; Nic Cutcheon and Richard LeCoultre, Students-At-Large

Whereas, the ASUM Office of Transportation is the agency that was created to address a
plethora of important student transportation issues;

Whereas, the issue of motorized vehicle accessibility is not currently being actively
addressed by the ASUM Office of Transportation;

Whereas, the ASUM Office of Transportation is supported by a student initiated fee of
$26.00 per semester and is subsidized by funds from the $49.00 student activity fee;

Whereas, students have routinely voiced their frustration in the lack of motorized vehicle
parking on both the Mountain and COT campuses;

Whereas, students have consistently voiced their disappointment in ASUM for its lack of
advocacy for the increase of on campus parking;

Whereas, the Associated Students of The University of Montana represent over 15,500
enrolled students, many of which purchase parking permits;

Whereas, there are only 4,500 parking spaces available for students, faculty, and staff to
park personal vehicles on campus;

Therefore, Let It Be Further Resolved that The Associated Students of the University of
Montana requests the ASUM Office of Transportation to include advocacy for additional
motorized vehicle parking for students to be a significant and continuous initiative.
